Reporting for the Homecoming Committee, Ellen also announced that everything was ready for Homecoming at the old church, but in case of rain, the lunch would be served in the new fellowship building. She was concerned that a number of the singers on the program had colds and asked that we pray for them.

Wilbur Cayton of the Pulpit Committee reported that the Reverend Robert May would be the evangelist for the fall revival services beginning Monday night (Oct. 10-14). He also announced that the Reverend David Hines has been engaged for spring revival services the week following the second Sunday in April.

Louise Hines began a progress report for the Improvement Committee. She reported that the drapery material had been purchased and that the draperies are just about complete. Out of the drapery project had evolved the furnishing of the parlor. Some leftoever material from the draperies for the parlor prompted Pallie and Harry Avery to have two chairs covered. Jewel Lawrence gave a sofa; the Hines Memorial Class gave a sofa; the Nobles Men's Class gave a table; Louise and Pittman Hines gave a table and mirror; and Glynn and Jamie Keeter gave money for two wing-back chairs in memory of Mrs. Kennie McGlohon.

Continuing with the report, Bill Churchill noted that he was not going to make any more predictions as to when Phase II of the new church would be complete; but he did bring us up to date financially:

Building Construction	$109,762.00
Outside--Parking lots, curbs, gutters	12,202.02
Drapery Material	846.24
150 Chairs for Fellowship Hall	1,575.00
Total	$124,385.26
Amount Paid	81,331.00
Balance	$ 43,054.00
	2,273.00
Amount Due to Be Paid	$ 45,327.00

The toal amount borrowed through October 31 was $62,000. The doors have come; but since Mr. Edgar Allen is on another job right now, it will probably be several weeks before he gets back to hang them. The vanities for the restrooms and the kitchen cabinets have not yet come. The major jobs remaining are the final painting and the laying of carpet.

Gladys Corbett, publicity chairman, reported that newsletters have been sent twice since the last business meeting. The price varies according to where she takes them to be copied, and where she takes them depends on how much time she has.

Leah McGlohon gave an oral report of the Second Union, which met at Rose of Sharon Free Will Baptist Church on July 31, 1983.

Pittman Hines gave an oral report of the State Convention which met at Everett Chapel Free Will Baptist Church on September 14, 15. He noted

that it was an orderly meeting and that the Convention approved the Children's Home Board of Directors' signing compliance to the Civil Rights Act. Most of the denominational enterprises requested higher budgets for this year.

Pittman, chairman of the Board of Deacons, made the following recommendations from the Board:

(1) Whereas Donald Ribeiro will soon be ordained and whereas for the next six or seven years he will be occupied with his medical education and will not have time to be a full-time pastor of a church, that we elect him as associate pastor pending his ordination. (Note: This will help Don, and he is not wanting any remuneration.)
(2) That we raise the pastor's salary $15.00 per week--to $250.
(3) Whereas the Mutual Benevolent Fund has dropped all the hospitalization policies because of financial reasons, the pastor has made application to the South Eastern Ministers Association group of Blue Cross. In the event that the application is not accepted, we recommend that the church pay for the Blue Cross Individual Family Policy with the $1,000 Deductible Plan--the pastor paying the first $500 and the church paying the second $500 when either the pastor or his wife is admitted to the hospital.

Bruce Gray moved that we accept the recommendations of the Board of Deacons. William Nobles seconded the motion, which passed.

As old business, it was noted that the air-conditioner in the nursery was repaired.

Leah McGlohon, Natalie Taylor, and Pittman Hines volunteered to serve as delegates to the Central Conference to meet at the Rocky Mount Free Will Baptist Church on November 10.

Karl McLawhorn discussed purchasing material and framing in the pulpit area of the sanctuary during the winter months. He volunteered the fact that he would have some time to work on it. A general discussion followed.

Bill suggested that we leave the matter to the Board of Trustees and the Improvement Committee working closely together to proceed with the work in the sanctuary as long as it does not exceed the $125,000 already approved to be borrowed.

Claudie McLawhorn made a motion that we adopt the suggestion; William Nobles seconded the motion, and the motion passed.

Pallie asked when we were going to put this property (old church) on the market. It was noted that the Board of Trustees already have the authority. Karl, a member of the Board, asked if there were any stipulations to the sale. A general discussion followed with no conclusions passed.

Wayne Vincent moved that we change the time of the Sunday night services during the school year to 7 p.m. John Vernelson seconded, and the motion was carried.

The clerk asked for permission to purchase a new minute book, which was granted by motion.

She also asked for permission to carry the old minute book to Mount Olive College to be microfilmed for the Free Will Baptist Historical Collection. John moved to grant permission; Bill seconded the motion, and the motion passed.

There being no further business, the meeting was adjourned with the benediction by John Vernelson.

The Reverend Edward C. Taylor, Moderator
Leah McGlohon, Clerk

Alesia Forlines, Treasurer

Wilbur Cayton, chairman of the Pulpit Committee, reminded us of the spring revival services scheduled for April 9-13 with the Reverend David Hines as evangelist. He brought a recommendation from the Committee that the Reverend J. D. Vernelson be the evangelist for fall revival services the week following Homecoming in October.

Bill Churchill moved that we adopt the report. Karl McLawhorn seconded the motion, which passed.

Reporting for the Improvement Committee, Louise Hines noted that the painting has not been completed nor the carpets laid. However, the cabinets and heating systems have been installed. She also reported that the furnace at the parsonage has a hole in it and that as a result soot is all over it. The insurance will take care of the cleaning, but a new replacement part (burning pot) must be ordered for the furnace.

Continuing, Bill reported that he had talked to Mr. George Shoe about the painters but that he had received no report as yet as to when they would begin.

Pittman Hines added that Frank Branch is looking for a new furnace part and that he would install it when it comes. An estimated cost would be $365 plus transportation and taxes. He moved that we pay for it from the building fund. John Vernelson seconded the motion, and it passed.

Gladys Corbett, publicity chairman, announced that newsletters, about 230 each time, had been mailed in November and December.

Leah McGlohon made an oral report of the Second Union, which met at the First Free Will Baptist Church in Tarboro on October 30, 1983. She also gave an oral report of the Central Conference which met at the First Free Will Baptist Church in Rocky Mount on November 8, 1983.

Pittman, chairman of the Board of Deacons, reported that the deacons had met twice since the last business meeting and that they had no recommendations.

The clerk reported that the latest minute book was at Mount Olive College being microfilmed and that she would pick it up tomorrow.

Bill reported that the pastor did get into the Southeastern Ministers Association group of Blue Cross and that we are paying $25 less for the hospitalization than formerly.

Gladys noted that there is not any back up heat at the parsonage and suggested that we purchase a small gas heater. After a general discussion, she moved that we purchase a kerosene heater as a back up heat. Idelle McLawhorn seconded the motion, which passed.

Leah McGlohon, Mamie Ruth Cayton, and Wilbur Cayton volunteered to serve as delegates to the Second Union for the next six months. The next meeting will be on January 29 at Williamston.

Returning to the subject of the kerosene heater for the parsonage, Bill noted that if we purchase the large heater that it might be used at the new church sometime also.

Karl called attention to the fact that the YFA members were going on a skiing trip at the end of January and that the sponsors were doing a good job in working with them. He thought it would be nice if the church helped out on the expense.

Debby Gray, a sponsor, noted that the members had worked hard and had raised $77 each of the $100 cost. She thought that they had the transportation worked out as far as the cars that would be going, and could probably get traveling insurance with the money donated.

Karl moved that we give $200 toward the expense of the trip. John seconded the motion and it passed.

Since there was no further business, Bill prayed the benediction.

The Reverend Edward C. Taylor, Moderator
Leah McGlohon, Clerk

At the morning worship service on February 12, 1984, Bill Churchill moved that we recommend Wayne Wilson for a Free Will Baptist Tuition Grant at Mount Olive College for the 1984/85 school year. Guy Corbett seconded the motion, and the motion carried.

Brad Cayton, Treasurer

Wilbur Cayton, chairman of the Pulpit Committee, reminded us of the spring revival services to begin on Monday night, April 9, with the Reverend David Hines as evangelist.

Louise Hines, reporting for the Improvement Committee, noted that a fund to complete the sanctuary had been started with contributions of $3,000 and a pledge of $5,000. She also reported that we owe $62,000 on the Sunday School rooms and fellowship hall.

Continuing, Bill said that some had asked about the cost of completing the sanctuary. He had no new figures; but, based on the former bids--$66,000 for general contract, $5,975 for electrical work, $22,932 for heating and air-conditioning, $1,000 for plumbing, plus $5,000 for carpeting and $12,000 for pews--the total estimate would be $113,000.

Gladys Corbett, publicity chairman, reported that newsletters had been sent out three or four times since the last business meeting.

Mamie Ruth gave an oral report of the Second Union which met at the First Free Will Baptist Church in Williamston on January 29.

Pittman Hines, chairman of the Board of Deacons, reported that the deacons had met four times and that they had had a banquet at the Tar Landing Seafood Restaurant including wives and guests. He also read a recommended slate of nominations for officers for the coming year. The meeting was opened for nominations from the floor. Since no nominations were made, Claudie McLawhorn moved that we accept the slate of officers by acclamation. William Nobles seconded the motion, which passed.

The following officers were elected:

Clerk - Leah McGlohon
Treasurer - Billy R. Churchill
Assistant Treasurer - Stuart Forlines
Chairman of Ushers - R. H. Wade; Assistant - E. T. Carawan
Deacons - E. C. Hines, 1991 (Karl W. McLawhorn, 1985; Wayne Vincent, 1986; Billy R. Churchill, 1987; Harry Avery, 1988; Guy Corbett, 1989; Wilbur C. Cayton, 1990).
Organist - Gladys H. Corbett
Assistant Organist - Linda Weathersby
Pianist - Debby Gray
Assistant Pianist - Arlyn Branch
Pulpit Committee - Bruce Gray , 1987 (De Lois Wingate, 1985; John Vernelson, 1986)
Benevolent Committee - Edith Nobles, 1987 (Idelle McLawhorn, 1985; Leola Carawan, 1986)

Publicity Chairman - Gladys H. Corbett
Sunday School Superintendent - Jack Weathersby
Assistant Superintendent - Frank Branch

The clerk read the following resolution:

WHEREAS Wayne Wilson is planning to go to Mount Olive College next year, and

WHEREAS all the other fulltime students from the church who have attended have been given a Church-College matching scholarship grant of $250, and

WHEREAS Mount Olive College no longer has the matching grants because all churches did not participate and some felt left out, and instead have the Free Will Baptist Tuition scholarship grant for which we recommended Wayne on February 12;

THEREFORE, be it resolved that if in fact Wayne attends Mount Olive next year, that we contribute $250 sometime during the year (1984/85) to Mount Olive College for Free Will Baptist scholarships.

Bruce Gray moved that we adopt the resolution; Wilbur seconded the motion, and the motion passed.

Bill read a portion of a letter from Mount Olive College which requested that we renew our annual pledge of $500 to College Hall, which would run out in March 1985 for five more years--until 1990. After some confusion and general discussion, a motion by Guy to wait until March 1985 to consider it failed.

Pointing out that the College needs to have the information now so that they can plan the schedule of repayment of money borrowed to build the building, Leah moved that we extend our pledge of $500 annually for College Hall to 1990. Lena Churchill seconded the motion, and it passed.

Pittman gave two more recommendations from the Board of Deacons and moved their adoption:

1. That we raise the pay of the evangelist for revival services to $200.
2. That we accept a gift of a clock from Chessie Robinson in memory of her son who died.

The recommendations were considered separately. Bob Hines seconded the first motion, and it passed. Bruce seconded the second motion, and it passed.

Bruce advanced the idea that if we sell the old church building that we can probably begin work on the completion of the sanctuary soon. Karl McLawhorn noted that he had received a report from a reliable source that the interested party was trying to work out arrangements to buy it.

The pastor asked for volunteers to serve as delegates to the General Conference. Since no one volunteered, Bruce moved that we represent by letter; Wayne seconded, and the motion passed.

Jack Weathersby, Sunday School Superintendent, asked for a discussion on some equipment such as marker boards for the Sunday School rooms. He gave the prices of some boards and noted that the Sunday School treasury does not have the money to purchase them. A general discussion followed.

Lena Church moved that we authorize the Improvement Committee to work with Jack to purchase the necessary equipment for Sunday School teachers from the building fund. Bruce seconded the motion, which passed.

Lena moved that we set up a disaster fund through which voluntary contributions can be directed to assist our church member, Idelle McLawhorn, whose home was destroyed by the tornado on March 28. Clara Dell Hines seconded the motion, and it passed.

The meeting was adjourned, and Bruce gave the benediction.

The Reverend Edward C. Taylor, Moderator
Leah McGlohon, Clerk

He also announced that the Leagues had disbanded for the summer and would reconvene in September.

De Lois Wingate, chairman of the Pulpit Committee, reminded that the fall revival services would be held October 15-19 with the Reverend J. D. Vernelson as the evangelist.

Reporting for the Improvement Committee, Louise Hines noted some things that the Committee has been working on: (1) getting Mr. George Shoe, the architect, in the fall to work on plans for completion of the sanctuary; (2) the application of a refund of sales tax for Phase II, which amounts to $2,800; and (3) three problems of Phase I to be completed--(a) rain diverters, (b) a handle or hand rail for use of people who need aid in entering the front door to the educational wing, and (c) molding around the columns to be done by Mr. Edgar Allen.

Karl McLawhorn, reporting for the Board of Trustees, said that ten groups have been interested in the old church building, but that none of them have been able to come up with the cash money. He read an offer that Connie Dixon of the Gateway Christian Church had made. They would

like an option to purchase the building for $60,000 on the following terms: to pay $2,000 down and $500 a month for two years, during which time time they would paint and make minor repairs; at the end of two years to pay $20,000; and to pay the rest ($26,000) with 12 percent interest to be paid in five years--all to be applied to the purchase price.

Bill Churchill moved that the Trustees be requested to contact all the groups interested in the old church and to request a written proposal setting forth price and method of payment and to bring the proposals back to the church at a special called meeting or a regular meeting for consideration. Arlyn Branch seconded the motion, which passed.

Gladys Corbett, publicity chairman, reported that newsletters had been sent one time since the last meeting and that another is in the process.

Leah McGlohon gave an oral report of the Second Union, which met at our church on April 29. She also reported that the Second District Sunday School Convention had voted to try having a Sunday School workshop on Friday night before fifth Sunday. The next Union and Sunday School Convention will meet at the Ayden Church on July 29.

Karl, chairman of the Board of Deacons, made the following recommendations from the Board:

(1) That the portion of the 10 percent of regular offerings formerly sent to Central Conference missions now be sent to foreign missions. (Note: The Roanoke Rapids church property has been sold and the money has been placed in the Church Finance Association. At the present time, income from that money is sufficient to support the Conference mission work. Should the need for more funds arise, we could send support again.)
(2) That we assume the expense of the Children's Church.
(3) That we make a love gift of $25 a week to Donald Ribeiro for his services as assistant pastor.

Pittman Hines moved that we adopt the complete report. John Vernelson seconded the motion, and it passed.

Jack Weathersby, Sunday School superintendent, reported that there had been some damage of the marker boards when they were received; that the freight company would not do anything about it; that the Highsmith Company has offered to pay $50 for the damage, which has not been received yet; and that one board which was badly damaged had been returned.

The following members were elected for positions:

Homecoming Committee: Junior Gurganus, Mamie Ruth Cayton, and Karl W. McLawhorn
Delegates to the Second Union for the next six months: Verna McLawhorn, Gladys Corbett, and Jack Weathersby
Delegates to the State Convention: Leah McGlohon, Gayl Evans, and Pittman Hines
Chairman of Mount Olive College Benefit Dinner Drive: Bruce Gray.

Ellen Vernelson asked if something couldn't be done to cover the large

window to shield the sun from the room now being used as the sanctuary.

John moved that the Improvement Committee look into something to shield the sun from the window. Clara Dell Hines seconded the motion, which passed.

Pallie Avery requested that when the drapes are dropped in the Sunday School rooms that those doing the dropping be careful so that it will not be so difficult to put them back in place.

Idelle McLawhorn thanked the church and all individuals who had given her help when she lost her home in the tornado.

E. C. Hines was welcomed on the Board of Deacons and a rising vote of thanks was given to Pittman for his services as deacon.

Wayne Vincent made a motion that the evening worship services on Sunday be held at 7 p.m. throughout the year; Gladys seconded, and the motion passed.

The meeting was adjourned, and Junior Gurganus prayed the benediction.

The Reverend Edward C. Taylor, Moderator
Leah McGlohon, Clerk

CALLED MEETINGS

At a called business meeting during the morning worship service on July 15, 1984, the pastor requested the church to issue a ministerial license to Mike L. Tart, who had already been before the Central Conference Board of Ordination for examination as a previously ordained minister coming into the N. C. State Convention of Original Free Will Baptists. Bill Churchill moved that we issue the license. Wilbur Cayton seconded the motion, which passed unanimously.

At a called business meeting during the morning worship service on August 5, 1984, Karl W. McLawhorn, chairman of the Board of Trustees, presented a proposal to purchase the old church building made by the Gateway Christian Center. The terms of the proposal were to purchase at a price of $65,000 to be paid as follows: $5,000 down, $500 a month for the first year, and $10,000 (or a minimum of $5,000) at the end of the first year; $500 a month for the second year (making a total paid at the end of the second year of $37,000); $500 a month plus 12% interest until the remainder is paid. Bruce Gray moved that we accept these terms of purchase. Bob Hines seconded the motion, which was passed unanimously.

After the prayer service on Wednesday night, August 29, 1984, Wayne Vincent presented a recommendation from the Board of Deacons to invite the singing group, "Sonlights," from Black Jack Church to give a musical program on fifth Sunday night, December 30. A motion was made to accept the recommendation; it was seconded and passed.

Jack Weathersby, Superintendent
Pittman Hines, Secretary-Treasurer

Wayne Vincent, codirector of the Leagues, reported that the Leagues had resumed in September with a slow start and encouraged everyone to attend.

De Lois Wingate, chairman of the Pulpit Committee, reminded everyone of the fall revival services next week with the Reverend J. D. Vernelson as evangelist. She also announced that the Reverend Mike Tart had been engaged as the evangelist for spring revival services in either March or April. Wilbur Cayton moved that we accept the report; Bruce Gray seconded the motion, which passed.

Reporting for the Improvement Committee, Louise Hines noted that the three problems of Phase I recorded in the last minutes have been completed; namely: (1) rain diverters have been installed, (2) handrails have been placed at the front door to the educational wing, and (3) Mr. Edgar Allen has put the molding around the columns. She also reported that the window on the west side of the fellowship hall has been insulated to shield the room from some of the sun.

Guy Corbett of the Board of Trustees reported that the old church building had been sold according to the proposal passed on August 5 at a special business meeting.

Gladys Corbett, publicity chairman, reported that newsletters had been sent twice since the last quarterly meeting.

Reporting for the Homecoming Committee, Karl W. McLawhorn announced that everything was set for Homecoming on October 14, and that Mamie Ruth Cayton had done a super job on the committee work.

Since Bruce, chairman of the Mount Olive College Development Fund campaign, had left early, the pastor--who had also attended the organizational meeting--announced that the Benefit Dinner would be held at D. H. Conley High School on November 13, 1984.

Jack Weathersby gave an oral report of the Second Union and the District Sunday School Convention which met at Bethany Free Will Baptist Church on September 29. The Sunday School Convention voted to give $100 towards purchasing Bibles for children at the Children's Home.

Queenie Tripp and Leah McGlohon gave oral reports of the State Convention which met at College Hall, Mount Olive College, on September 26, 27 (postponned from September 12, 13 because of hurricane Diana).

Karl, chairman of the Board of Deacons, announced that the only thing the deacons had to report is that the scheduling of the use of the fellowship hall at this time is being done by the deacons. Claudie McLawhorn moved that the scheduling be left in the hands of the deacons; Lena Churchill seconded the motion, and it passed. The person to contact for scheduling is the chairman.

As an item of new business, Louise read a recommendation from the Improvement Committee as follows: That we begin work on the sanctuary with goal to complete all work ready for use by July 1, 1985. She noted that Bill had made a careful study and that the following three things back up their recommendation:

1. With a payment of $25,000 in November our present loan can be reduced to $40,000.
2. Estimated construction cost to complete the sanctuary including furniture is $125,000.
3. If level of giving is kept up to the amounts of the past two years, that, along with payments from the sale of the old church property, should allow payment of all debts by November 1988.

Karl moved that we accept the recommendation; Idelle seconded the motion, and it passed unanimously.

The following volunteered to serve as delegates to the Central Conference to meet at Bethany Church on November 8: Pittman Hines, Natalie Taylor, and J. D. Fleming.

The meeting was adjourned, and Wilbur Cayton prayed the benediction.

The Reverend Edward C. Taylor, Moderator
Leah McGlohon, Clerk

At a called business meeting on Wednesday night, January 2, 1985, Karl McLawhorn, chairman of the Board of Deacons, brought a recommendation from the deacons to recommend Mile L. Tart to the Central Conference Ordaining Council for examination for ministerial credentials. Idelle McLawhorn moved that we adopt the recommendation; Leo Tripp seconded the motion and it passed.

De Lois Wingate, chairman of the Pulpit Committee, reported that the date of the spring revival services with the Reverend Mike Tart as evangelist had been set--March 25-29. Guy Corbett moved to receive the report; Wilbur Cayton seconded the report, and the motion passed.

Louise Hines, reporting for the Improvement Committee, gave an update on the progress of plans for the sanctuary. The committee met with Mr. George Shoe and went back over the plans and added a few things: such as, cover doors to protect from the weather and a balcony to seat 53 people. They are in the process of completing the plans and hope that the bids will be let soon. Also, they have set up two dates to look at furniture for the sanctuary.

Gladys Corbett, publicity chairman, reported that newsletters had been mailed twice since the last business meeting.

Verna McLawhorn gave an oral report of the Second Union, which met at the Community Church in Weldon on December 30, 1984.

Pittman Hines gave an oral report of the Central Conference, which met at Bethany Church on November 8, 1984.

New Business

Gladys asked about inviting the Reverend Harold Jones, director of Foreign Missions, to come and show slides of India at a church service. The pastor announced that he had already been engaged for a service in February.

William Nobles mentioned the fact that we need a telephone in the church. Wayne Vincent moved that we have one installed. Gayl Evans seconded the motion, which passed.

In answer to the question of who should be responsible for having the telephone installed, Pallie Avery moved that the Trustees be responsible. John Stox seconded the motion, and it passed. It was agreed that

a no long distance stipulation be included.

Leah McGlohon noted that the committee that served refreshments at the Community Watch Night Service had agreed to ask the church to pay for the refreshments and moved that the church refund $30.00 to the committee. Clara Dell Hines seconded the motion, and it passed.

Leah also requested that we have some church stationery printed. Idelle McLawhorn seconded the motion, which passed.

The pastor discussed our denominational enterprise, Retirement Homes, and noted that the church was not supporting it at this time. Gladys moved that we contribute $100 annually to Retirement Homes. Wilbur Cayton seconded the motion, and it passed.

The following volunteered to serve as delegates to the Second Union for the next six months: Wilbur and Mamie Ruth Cayton and Leah McGlohon.

The meeting was adjourned with the benediction.

The Reverend Edward C. Taylor, Moderator
Leah McGlohon, Clerk

CALLED MEETINGS

March 24, 1985

At the morning worship service on March 24, 1985, Bill Churchill announced that the Improvement Committee needed more time to study the bids that had been received for completion of the sanctuary and that they would not be ready to make their report at the meeting that had been called for Wednesday night. He requested that the Committee have the authority to report on short notice, since the bids have a time limit on them. A motion was made and duly passed to grant authority.

April 3, 1985

meeting

At a called business/on Wednesday night, April 3, 1985, following the Pre-Easter Prayer Service, Bill Churchill made the report for the Improvement Committee on the bids for the completion of the sanctuary. Following prayer led by Guy Corbett, Bill stated that the bids were about $40,000 higher than the figure of 125,000 that they had estimated from 1981. Some of the reasons are that they had added back a great deal of the trim work that had been cut in the 1981 plans and also the completion of the balcony. With these added, the bid for the general contract is $122,000. The pews will cost approximately $25,000; the carpet, $12,000; and the sound system approximately $5,000--for a total of $164,000.

Another reason the cost is higher is that the former bids were for a larger piece of work, which they could do more economically. He remarked that the hardest decision, which they had not yet made, concerned the pews.

They have received two bids for the brick sign: $2,200 and $700. They have decided to look after building the sign themselves.

Karl moved that we proceed with the recommendations of the Committee. Pittman seconded the motion, which carried unaimously. Don Ribeiro prayed the benediction.

Mamie Ruth Cayton, Treasurer

Reporting for the Improvement Committee, Louise Hines noted that the minutes of the called business session had already given most of the information; however, the work on the sanctuary will begin on Monday. Someone had asked how much we have spent thus far on the new church. She reported that, beginning with the purchase of the lot, we had spent $470,000.

Idelle McLawhorn of the Benevolent Committee reported that two gifts had been made during the quarter as follows: $25.00 to Pat Roberson, a fireman of Ayden who lost his home, and $100.00 to Tana Stox, who returned to New York.

Guy Corbett, reporting for the publicity chairman, announced that he thought two newsletters had been mailed during the quarter.

Alice Hines reported that the AFC's are planning their trip to the State Youth Convention at Mount Olive College in May. Five or six are planning to attend, and Elaine Smith will be entering the essay contest.

Don Ribeiro announced that the youth should be at the church at 8:30 a.m. tomorrow to go to La Grange for the Central District Field Day.

Karl W. McLawhorn, chairman of the Board of Deacons, gave the following reports and recommendations from the deacons:

1. Recommended that we get history and pictures of ministers who have come out of our church for future reference. Bruce Gray moved that we adopt the recommendation; Pallie Avery seconded the motion, and it passed. Karl will be responsible.
2. Recommended that Senior Day be a part of the church business, and that Bibles be given to all seniors of the Sunday School and the church. Bruce moved that we adopt; Louise sedonded, and the motion passed. Arlyn Branch, Clara Dell Hines, and Leah McGlohon (to purchase Bibles) will serve on the committee for planning.
3. Recommended that we ask the clerk to make a copy of the duties

of the officers and committees and that we have an installation service with duties read and a copy given to each. Wilbur Cayton moved that we adopt; R. H. Wade seconded, and the motion passed.

4. Requested that if anyone has announcements or something different from what appears in the bulletin to let the pastor know before the service starts.
5. Recommended that the church treat the youth who entered the essay, Bible Bowl, and other contests at the District Youth Fellowship and all of the youth sponsors. He moved that we adopt; Mamie Ruth Cayton seconded the motion, which passed.
6. Discussed the lack of participation in recent Fourth Sunday Night Singspirations and wondered if we should stop for awhile. A general discussion followed in which it was noted that some wanted the singspiration continued and that we should help Wayne Vincent boost the participation.

Mamie Ruth gave an oral report of the Second Union, which met March 31 at Elm Grove Church. She noted that Wilbur was elected vice-president of the District Sunday School Convention, and that the Sunday School Convention gave $150 to the Children's Home for Bibles for the children.

Bruce reported that the phone had been installed in the church and that Bernard Willis had donated a telephone.

The clerk announced that the church stationery had been received and divided among the clerk, pastor, treasurer, building fund treasurer, and Sunday School secretary-treasurer. If anyone needs a letterhead for any reason, he can see one of these.

New Business

Alice Hines, director of the youth choir, stated that she wanted to do a musical program for youth entitled, "Kids Praise, No. 4," and requested that the church purchase the materials needed--music, cassette tape, and sound track--which will cost approximately $115.00.

Karl moved that the church purchase the musical supplies. William Nobles seconded, and the motion passed.

The clerk read a letter from Vickie W. Wade, FWB representative to the Caswell Center Chapel Fund Denominational Committee, requesting a contribution to help reconstruct the chapel at Caswell. She moved that we send $150.00 for this purpose; Bruce seconded the motion, which passed.

Debby Gray announced that she was on the committee of the Christian Fellowship Sunday School Class to purchase a new organ. They now have about $9,000 in the fund. She wanted to know if they could use the present organ to trade in on the new organ and piano. Pallie moved that we give permission for the committee to use the organ to trade in on the new. Alice seconded the motion, and the motion passed.

Arlyn wanted to know if we would like to designate the first Sunday in June as Senior Sunday. The date was left to the committee.

Guy Corbett of the Board of Trustees stated that Pittman Hines had called

to his attention the fact that there are a large number of chairs from the old church for which we do not have any storage space now that work is beginning on the sanctuary. He moved that we give authority to the Trustees to sell 40, more or less, chairs. William seconded the motion, which passed.

Karl presented a slate of officers and committees in nomination. The entire slate was adopted by motion as follows:

Bill Churchill, reporting for the Improvement Committee, gave a progress report on the sanctuary: The painting will be completed shortly; the chandeliers will be hung tomorrow; the carpet has been ordered and is ready to be installed; and the pews have been promised not later than September 15. He expressed a hope to be in the sanctuary a few Sundays before Homecoming so that any problems can be worked out.

He further noted that the spiral stairway did not turn out as it was pictured because of the tread and length of step, but it worked out satisfactorily. It was not intended to be used as a means of entrance to the balcony--only an emergency exit.

A suggested location for the church sign has been staked on the lawn and a drawing is on the bulletin board. It will take up to thirty days to get the letters for it. He invited comments about the drawing and location.

Gladys Corbett, publicity chairman, reported that 300 newsletters had been sent once since the last meeting.

The Reverend Don Ribeiro reported that the YFA and some others from the church went on a camping trip to Peaks of Otter in Virginia the last weekend in June. He also noted that leaders of Children's Church have started using David C. Cook literature, which they like better. They have an average attendance of about 8.

Linda Weathersby reported that a deposit had been made on a Hammond organ and a baby grand piano.

The pastor explained that the clerk had received a letter that Ann

Branch Armaos' name had been dropped from the roll of her former church and that she had not received a response from the request for a letter for Grace Williams. Guy Corbett moved that we receive Ann and Grace by statement of faith. Louise Hines seconded the motion, which passed.

New Business

Wayne Vincent, chairman of the Board of Deacons, stated that the deacons had discussed two things and made the following recommendations, which were taken separately:

1. That the prepared duties of officers and committees, which are posted on the bulletin board be used as guidelines for officers and committees to follow. Bill moved that the duties be adopted; Lena Churchill seconded, and the motion passed.

2. That, instead of receiving a second and special offering on nights that musical groups come to sing, we give a love offering of $50. Idelle McLawhorn moved that we accept the recommendation; Lena seconded, and the motion passed.

Bill presented two recommendations from the Improvement Committee:

1. That, since the painters in looking around the exterior of the portico and entrance and noting the mildew had recommended painting outside, we give the committee permission to undertake to have the exterior painted if needed and the price is reasonable. He moved that we do so; Lena seconded the motion, which passed.

2. That the balcony be closed for use and opened by the ushers as needed for an overflow crowd. Jack Weathersby moved that we adopt the recommendation; Guy Corbett seconded, and the motion passed.

The clerk made the following suggested recommendations:

1. That the contribution sent to the Children's Home at the State Convention be increased from $200 to $300. Lena moved that we accept; Stuart Forlines seconded the motion, which passed.

2. That we give $1,000 annually to Mount Olive College for library books to help reach the standard set for accreditation. After a general discussion, Lena moved that we give $1,000 this year to purchase library books. Leah seconded the motion, which passed 21 to 11.

3. That we give the clerk permission to have census cards made for needed information to be collected for the annual letter to the State Convention. Lena moved that we give permission; the motion was seconded and passed.

The following volunteered to serve as delegates:
State Convention: Leah McGlohon and Karen Ribeiro
Second Union for the next six months: Mrs. Natalie Taylor, Linda Weathersby, and Leah McGlohon.

Since there was no further business, the meeting was adjourned with a benediction

The Reverend Edward C. Taylor, Moderator

Leah McGlohon, Clerk

Bruce Gray, chairman of the Pulpit Committee, reported that the Reverend Bruce Jones had been contacted to serve as the evangelist for revival services on the week preceding Easter--March 24-28--if that date is satisfactory. Wayne Vincent moved that we accept the report. The motion was seconded and passed.

Louise Hines, reporting for the Improvement Committee, announced that the dedication service for the completed sanctuary has been set for the third Sunday in November. She reported that Mr. Whitley suggested that we not paint theportico now, but that we wash down the mildew and

paint in a year or two. Bill is going to take care of it. The educational wing did not heat very well last winter. The heating company is aware of it and will make some changes.

Gladys H. Corbett, publicity chairman, reported that newsletters had been sent twice during the quarter.

Linda Weathersby, reporting for the Homecoming Committee, said that preparations were ready for Homecoming on Sunday; that the Reverend Harold Jones, a former pastor, would bring the morning message; and that lunch would be served on the church grounds if the weater permitted and if not, at the Fire Department. She asked everyone to do two things: (1) to pray that God will use the service to bless those present and (2) to make visitors feel welcome.

Virginia Hines, codirector of the Leagues announced that the Leagues had resumed meeting in September after a summer recess and that the financial report would be given next time.

Leah McGlohon gave an oral report of the State Convention that met at College Hall, Mount Olive College, on September 11, 12. She noted that two changes were made in the constitution and bylaws: (1) The number of members of the Board of Home Missions and Church Extension was increased from five to seven so that there could be a representative from each of the conferences. (2) The name of the Board of Superannuation was changed to Board of Ministers' Programs.

The Reverend Don Ribeiro reported that the youth of the church had done a good job in the presentation of the musical, "Kids Praise 4," and that about ten attended the Central District Youth Fellowship in Tarboro on September 21.

Leah gave an oral report of the Second Union which met at Hickory Grove Church on September 30.

Don also reported that Merry Smith has volunteered for Children's Church every other Sunday in each month.

Leah reported that she made the census cards and had them photocopied. They were very useful in collecting the needed information.

New Business

Wayne Vincent, chairman of the Board of Deacons, brought two recommendations:

1. That we approve the invitation of the Reverend Bobby Taylor, executive director of the Free Will Baptist Children's Home, to speak at the morning worship service on fourth Sunday in October.
2. That we approve the invitation for a Gideon representative to speak at the evening worship service on second Sunday in November.

Bruce moved that we accept the recommendations; Gayl Evans seconded the motion, which passed.

Bill announced that the Nobles Men's Class had purchased some chairs for its classroom and had asked that the money be routed through the church treasury so that the tax could be refunded. He also moved that the church reimburse Don for the cost of materials for his costume for the musical. The motion

was seconded and passed.

Clara Dell Hines mentioned that a number of people had asked about why letters were not on both sides of the outdoor sign. Bruce answered that the cost was the factor and that we can add letters to the backside later.

The following volunteered to serve as delegates to the Central Conference to meet on Novmeber 7 at Aspen Grove Church: Natalie Taylor and Verna McLawhorn.

Pittman Hines moved that we give the Board of Trustees permission to sell the old organ since it was not traded in on the new one. The motion was seconded and passed.

Louise gave additional information on our building project. We owe $175,000. The interest this year will be $11,000-$11,500; and next year we will owe $24,000. There are a lot of things we need to do; such as, putting lights in the back parking area, paving, and landscaping. The Improvement Committee is concerned about paying off the loan to make it manageable before incurring any more debt. She noted that she called the company making the pews twice today, but she did not give any date for the arrival of the pews.

Don asked for advice about the planned bus trip to Cragmont on November 1-3. Although he has invited people from three other churches, only 18 people have signed up to ride the bus. A general discussion followed. Some suggested vans.

The clerk brought up two things: First, she asked if there was interest in her continuing to compile the annual financial report. Some replied that they were interested. Second, she read a list of seventeen names for the church to think about dropping from the church role. Her criterial was that they no longer live in the community, that it had been at least ten years since the majority had attended, and that she didn't think they were related to anyone who presently attends. No action was called for. The general impression received was that the people should be contacted.

William Nobles brought up the fact that some have mentioned about hiring somebody to clean the church. He said that Charlie Mobley, who cleans three other churches in the community, would clean the church once a week and come back on Friday to check for $200 a month. Merry Smith suggested that we take it under consideration to think about and bring it up later. E. C. Hines noted that he is supposed to bring him to the church when the pews are installed so that he could give a price.

Wayne asked about the hole that came in teh window of the fellowship hall. Who is responsible for fixing? He doesn't think that the church should be responsible. Guy moved that the matter be referred to the Improvement Committee; Bruce seconded the motion, and it passed.

The meeting adjourned at 9:11 p.m. Guy Corbett prayed the benediction.

The pastor announced that the State League Convention would meet at our church on March 8.

Bruce Gray, chairman of the Pulpit Committee, reported that the Reverend Gary Bailey had been contacted as the evangelist for revival services the week of October 13-17. Guy Corbett moved to accept the report; Pittman Hines seconded the motion, which passed.

Reporting for the Improvement Committee, Louise noted that the pews are not quite complete; for example, the book racks need to be put on the pews in the balcony. The next time representatives from the company come this way, they will complete them. A representative from Stephens Mill came and looked at the large window in the fellowship hall and agreed to give us a storm window for that window. He will also give a proposal for storm windows for the other windows and suggested that they be hinged windows so that they can be opened for easier cleaning.

Wayne Vincent moved that we accept the storm window for the fellowship hall and that the committee bring the proposal for the other storm windows back to the church. Wilbur Cayton seconded the motion, which passed.

Gladys Corbett, publicity chairman, announced that newsletters were sent twice during the quarter.

Don Ribeiro reported that the Cherubs and the AFC's received attendance banners at the November meeting of the Central District Youth Fellowship. The YFA's had a successful slave sale and a supper to raise money for their ski trip.

The Second Union met at King's Cross Roads Church on December 30, which our delegates attended.

Natalie Taylor gave an oral report of the Central Conference, which met at Aspen Grove Church on November 7. The theme of the program was "Called to Serve."

E. C. Hines reported that he contacted Charlie Mobley and carried him over the church. Charlie will clean the church for $175 per month and said that we will need to buy a vacuum cleaner.

Stuart Forlines moved that we hire him; Wayne seconded the motion, and it passed.

New Business

Wayne, chairman of the Board of Deacons, brought the following recommendations from the Board:

1. That we observe the following guidelines for use of the fellowship hall:
   a. Stay within our doctrine.
   b. Member or members involved are responsible.
   c. Nothing is to be carried out other than chairs and tables. (See chairman of Deacon Board.)
   d. No drinks or food is to be carried out of the fellowship hall to other parts of the building.
2. That we observe the following guidelines for use of the sanctuary:

a. Only church and Sunday School members and their relatives may use it.
b. Only no-wax candles are to be used for weddings, etc.

3. That we adopt the following recommendations concerning the piano
   a. That the piano be put on a dolly.
   b. That piano lessons be taught in the pastor's study until it is furnished as a study.
   c. That piano students stay in this room until parents pick them up.

He noted that a committee consisting of Guy Corbett, Stuart Forlines, Debby Gray, Wilbur Cayton, and Edith Nobles had worked on the guidelines.

Pittman Hines moved that we adopt the report; Bruce seconded the motion, which passed.

Bruce moved that we increase the honorarium for evangelists for revival services from $200 to $250. The motion was seconded and passed.

The following volunteered to serve as delegates to the Second Union for the next six months. Leah McGlohon, Natalie Taylor, and Wilbur Cayton.

Karl asked if any plans had been made for landscaping. Bill replied that none had been made.

Pallie Avery moved that a committee be appointed to look into getting a plan drawn up for landscaping; Karl seconded, and the motion passed. The following were appointed: Pallie Avery, Bruce Gray, Karl W. McLawhorn, and Lena Churchill.

The meeting was adjourned at 8:44 p.m. Bill prayed the benediction.

MINUTES OF CALLED MEETING

February 16, 1986

At a called meeting during the evening worship service on Sunday, February 16, 1986, Pallie Avery, chairman of the Landscape Committee, reported that the committee had contacted Mr. George Shoe, who recommended Todd Williams of Worthington Landscaping at Ballard's Crossroads. Mr. Williams charges $20 an hour, but the fee would not be over $100. If we were to purchase plants from them, the plans would not cost anything.

The committee recommended that we hire Todd Williams to draw plans for landscaping with low maintenance plants. Guy Corbett moved that we accept the recommendation of the committee; Wilbur Cayton seconded the motion, which passed.

Reporting for the Improvement Committee, Louise Hines announced that a bulletin board had been installed in the educational building on the wall beyond the parlor and that strips to display youth banners and the flower chart would be added later. The Sunday School register has also been installed there. She has been working on the memorial book and has had to order more pages.

Bill Churchill, adding to the report, gave information about the storm windows noted in the last minutes that had been quoted to Mr. George Shoe by Stephens Mill as follows: (1) Price using regular glass - $412.15 to complete window above the large window in the fellowship hall; $2,164.50 for windows in the sanctuary; $1,335.30 for remaining windows--for a total of $3,911.95. (2) Price using lexan glass in the sanctuary - $4,269.50, which would make the total $6,016.95. These figures would not include finishing, installation, or taxes.

William Nobles moved that the matter of storm windows be referred to the Improvement Committee for further study. Arlyn Branch seconded the motion, which passed. Among the discussion was the matter of the cost and the fact that since some of the windows are rotting out, perhaps we should consider replacement with vinyl windows.

Pallie Avery reported that the Landscape Committee had been promised the plans next week and that they would be posted for our consideration.

Gladys Corbett, publicity chairman, reported that newsletters had gone out twice since the last business meeting. Postage has gone up as follows: postal permit from $40 to $50, per unit cost from 7.4 cents to 8.7 cents. She noted that the figure Bill read in his report included inserts for revival.

Leah McGlohon gave an oral report of the Second Union which met at Ormondsville Church on March 23, noting that the attendance was less since the meeting had been moved up because of the regular meeting time falling on Easter Sunday.

Wayne Vincent, chairman of the Board of Deacons, reported that the deacons had drawn closer together as a result of their meetings.

New Business

Debby Gray announced that the Christian Fellowship Class has adopted a project to purchase new hymnals since there is a need for more hymnals. The committee--consisting of Debby, Sandra Jones, and Wayne Vincent--asked the church (1) to approve the continuation of the project, (2) to designate May 4 as Hymnal Sunday to receive an offering at the end of the service for the project, and (3) to accept the one the committee chooses after consulting with some others in the church. The one the committee is considering is Hymns of Faith, which will cost around $2,000--$8.00 each.

Guy Corbett moved that we support the project of the class in regards to the hymnals. Wilbur Cayton seconded the motion and it passed.

Bill noted that there was a member who would like to make a gift to establish a fund to supplement support for the youth work. Others could add to the fund. A committee made up of one sponsor from each of the youth organizations plus Don Ribeiro could draw from the fund as the need arises.

After a general discussion in which Bruce Gray stated that if others contributed, he thought the church should be responsible for setting up guidelines for use of the money. Wayne moved that the fund be established with clarification as to the rules. Idelle McLawhorn seconded the motion, which passed.

Leah moved that since the Improvement Committee had done so much work within the past years that we have a covered-dish appreciation dinner for them on July 19 or July 26 and that the church pay for any incidental expense. Mamie Ruth Cayton seconded the motion and it passed. Leah volunteered to be responsible for the program. Mamie Ruth, Linda Weathersby, and Barbara Hines volunteered to serve on the food and arrangements committee.

'Arlyn Branch stated that it was time to set the date for Senior Sunday. Bruce moved that we have it on June 8; Gladys seconded the motion, and it passed. Arlyn and Clara Dell Hines were elected to make arrangements. Leah will purchase the Bibles as usual.

Wayne presented the following items from the Board of Deacons:

1. Nominations for a slate of officers and committees. Jimmy Hines was nominated from the floor to replace the name of Bruce Gray, who declined, as chairman of the Mount Olive College Development Fund. The slate was adopted as follows:

   Clerk - Leah McGlohon
   Treasurer - Billy R. Churchill
   Assistant Treasurer - Stuart Forlines
   Board of Deacons - Bruce Gray, 1993 (Billy R. Churchill, 1987; Harry Avery, 1988; Guy H. Corbett, 1989; Wilbur Cayton, 1990; E. C. Hines, 1991; Stuart Forlines, 1992)
   Chairman of the Ushers - R. H. Wade
   Organist - Gladys Corbett
   Assistant Organist - Linda Weathersby
   Pianist - Debby Gray
   Assistant Pianist - Arlyn Branch
   Pulpit Committee - Alton Ray Hines, 1989 (Bruce Gray, 1987; David Junior Gurganus, 1988)
   Benevolent Committee - Brown Manning, 1989 (Edith Nobles, 1987; Alton Ray Hines, 1988)
   Publicity Chairman - Gladys Corbett
   Sunday School Superintendent - Franklin Branch
   Assistant Superintendent - Greg Smith
   Chairman of Mount Olive College Development Fund - Jimmy Hines
   Flower Chairman - Juanita Tripp
   Improvement Committee - Alton Ray Hines, 1991

2. That we elect a chairperson to organize nursery help during the church hour. Bruce moved that the church establish the position, and it passed. Lena Churchill was elected.

3. That Verna McLawhorn's recommendations be considered. Her recommendations are as follows:

   I recommend to the Deacon Board that in future all gifts to the church be made known through the church, Sunday School, Leagues, Woman's Auxiliary, or the sponsoring group report to the church at the quarterly business meeting. This is to be done in order that our church history be complete--for future generations to know where and how items came to be.

   I would also like for our minutes to contain a record of the following and any others deemed appropriate:

   a. The organ--sponsored by the Christian Fellowship Class and given in memory of Christy Williams.
   b. The piano--sponsored by the Christan Fellowship Class and given in memory of Randolph Harris, former class teacher.
   c. The sign--funds given by the Messengers Quartet in memory of Clyde Hines.
   d. Kitchen furnishings--given through a shower by the members of the church.
   e. Chairs in the classrooms--bought by each class.

f. Any other items which were given to add beauty and/or comfort to the church--whether from a church member or outsider.
g. Pew Bibles--given by Mr. and Mrs. Leo Tripp.

Gladys moved that we accept Verna's recommendations; Idelle seconded, and the motion passed.

4. He read a letter from the Winterville Recreation Commission inviting the church to enter a men's or women's team in the church softball league. The entry fee for the church will be $150 plus $12 for the individual player fee. Wayne moved that if we get the participants that the church pay the $150. Robert Weathersby seconded the motion, which passed.

5. He reminded everyone about the rules for the use of the fellowship building which are posted on the bulletin board.

6. He announced that he was stepping down from the job of getting singing groups in.

The meeting was adjourned at 9:24 p.m. Bill Churchill prayed the benediction.

The Reverend Edward C. Taylor, Moderator
Leah McGlohon, Clerk

At the evening worship service on May 11, 1986, Merry Smith asked the church to help her get a VCR and a 19" color TV so that she can tape a Bible cartoon each week to use for Children's Church. She has received $343 in donations; but the equipment will cost approximately $700, depending on what kind she gets.

Karl McLawhorn moved that we purchase the equipment, adding the rest of the money needed from the church treasury. Wilbur Cayton seconded the motion, and it passed.

Reporting for the Improvement Committee, Louise Hines stated that the committee had done some more looking into the matter concerning the windows. All the construction costs--which according to Mr. George Shoe, architect amounted to $618,000--have been paid. Mr. Shoe is continuing to work with the contractor on the heating. The company from which the stained-glass windows were purchased has been contacted. The company will do the releading at no cost, but will not replace the broken glass free.

Returning to the matter of the rotten doors and windows, she noted that Stephens Mill will replace five doors--two in the sanctuary, three in the educational wing and fellowship hall--and all windows that have deterriorated. We will be responsible for rehanging the doors and painting.

She also noted that Greenville Glass Company is working on storm windows for the Black Jack Church and that the committee thought they would like to wait to see how those look before making a decision about storm windows for the sanctuary. The storm windows recommended for the educational wing, the fellowship hall, and the four small stained-glass windows will cost approximately $2,200.

Guy Corbett moved that we adopt the report of the committee. Lena Churchill seconded the motion, which passed.

Lena, reporting for the Landscape Committee, stated that the plans were delivered and somehow got displaced so that they had to be redrawn. Bruce Gray was supposed to get the redrawn plans.

Alton Ray Hines reported that the Benevolence Committee made a gift of $100 to Beatrice Poe while she was attending her brother in the hospital.

Gladys Corbett, publicity chairman, announced that newsletters were sent once during the quarter and said that the postage had come down a little.

Don Ribeiro reported that the YFA recently went on a camping trip and that they had a good time.

No delegates attended the Second Union which met on June 29 at Piney Piney Grove Church in Beaufort County because of the wedding of Alice

Hines and Shawn Carson at our church. However, a contribution was sent.

Bill announced that the person who gave the original donation for a youth fund was agreeable for the money to be used for any purpose approved by the committee noted in the last minutes.

Leah reported that everything was about ready for the Appreciation Dinner for the Improvement Committee on July 19.

New Business

Since his obligations at the hospital are such that he does not have sufficient time to fill the responsibilities as associate pastor, Don Ribeiro resigned as associate pastor; but he stated that he will continue working in the church as a member when he has time.

Wayne Vincent moved that we accept his resignation; Bill seconded the motion, and it passed.

Bill, chairman of the Board of Deacons, reported that Vickie and Ralph Dalton, who are leaders of a Brownie troop, have asked permission to use the fellowship hall on Fridays from 3 to 4 p.m. for their meetings.

Lena moved that we grant permission; Gladys seconded, and the motion passed.

The following volunteered to serve as delegates:

State Convention (Mount Olive College on September 17, 18) - Leah McGlohon, Leo Tripp, and Queenie Tripp.
Second Union for the next six months - Leah McGlohon, Linda Hines, and Natalie Taylor.

Louise said that the church needs another paint job on the outside. A. B. Whitley has given an estimate of $5,633.00. There are others that they can contact for estimates. The Improvement Committee recommended that we repaint the woodwork on the outside.

Bill moved that the committee be given permission to have the church painted; Pittman Hines seconded the motion, which passed.

Jack and Doris Weathersby and Pittman Hines were elected to the Homecoming Committee.

The clerk moved that we pay the pastor's expenses to the Ministers Conference at Cragmont and to the Ministers Institute at Mount Olive College in August if he would like to attend. Gladys seconded the motion, and it passed.

Since Mount Olive College is in need of patrons to give money to purchase books for the library so that the college can meet the standards for accreditation by the Southern Association of Colleges and Secondary Schools, the clerk made a motion to give $3,000 at the rate of $1,000 per year for the next three years for books for the library. Lena seconded the motion, which passed.

The meeting adjourned at 9:14 p.m. Don Ribeiro prayed the benediction.

Alton Ray Hines, codirector of the Leagues, reported that the Leagues have recently started meeting again after a summer recess, but that the attendance was very small.

Bruce Gray, reporting for the Pulpit Committee, noted two successful cottage prayer meetings, about 46 in total attendance, in behalf of the revival services next week with the Reverend Gary Bailey as evangelist. Refreshments will be served after the meeting on Friday night. Donations for the refreshments should be given to Doris Weathersby. He also announced that the Reverend Ronnie Hobgood has been engaged for the spring revival services March 23-27.

Bill moved that we receive the report; Wilbur Cayton seconded the motion, which passed.

Louise Hines, reporting for the Improvement Committee, stated that the outside painting has been done, that the storm windows for the fellowship hall and educational wing are here and are in storage, that Kinston Plumbing and Heating has installed three more returns (one in the Willing Workers classroom) to improve the heating, that the committee is waiting on the Laws Company of Statesville for releading the stained-glass windows, and that interest on the loans will be about $22,000. The report was received by motion.

Pallie Avery, chairman of the Landscape Planning Committee, announced that she is supposed to get the plans soon, which will also include a three-layered effect on the east and north borders, a planned playground for all ages, and a small courtyard for outdoor weddings. She has asked that price estimates be given for doing the work in stages.

Jack Weathersby of the Homecoming Committee reported that plans for Homecoming are ready, that the lunch will be served in the fellowship hall, and that a singspiration will be held in the afternoon.

Gladys Corbett, publicity chairman, reported that newsletters had been mailed twice this quarter and that more advertising of revival services had been done this time. She recommended that we place a paid advertisement of revival services in the newspaper.

Bill moved that we adopt her recommendation of having paid advertisements for revival services in the newspaper. Wilbur seconded the motion, which passed.

Debby Gray announced that the YFA is planning a ski trip in January and that they will have two suppers to raise funds for it--a spaghetti supper in November and a chicken pastry supper in December.

Leah McGlohon gave an oral report of the State Convention and the Second Union.

New Business

Bill, chairman of the Board of Deacons, reported that Bill Landing says that the old piano now located in the Junior classroom is worth putting in playing condition at an estimated cost of $250-$300, and that they recommend that it be done and placed in the fellowship hall.

Debby moved that the recommendation be adopted; Mamie Ruth Cayton seconded the motion, which passed.

Ralph Dalton announced that the Brownie Scout Troop for which he and Vickie are leaders will have its first meeting next week. He had been asked what we can do for the group. Letting them meet in the fellowship hall was the main thing in sponsorship. We can pray for them is another. He mentioned a few other possibilities; such as, appointing a liason member to serve on the troop committee and providing equipment and financial support. The girls will do service for the church; for example, pick up litter on the grounds. He asked for ideas of things for them to do as service projects.

Louise noted that there was enough money in the building fund to pay the interest on the loans and that for the Homecoming goal it had been suggested that some might designate gifts for paving the parking lot. The cost of paving is down right now because oil prices are down. Alton Ray has contacted one company and the paving could be done by Christmas for $11,000 to $11,500. The cost would include soil treatment to kill the grass, fine grading, and paving. She asked what the church wanted to do about the paving. She thought that with the Homecoming offering we would have enough money to pave and to take care of other obligations.

Doris Weathersby moved that we pave the parking lot; Claudie McLawhorn seconded the motion, and the motion carried.

The clerk offered the following recommendations:

1. That we pay the pastor's expenses, if he would like to go, on the tour to the Philippines to visit our mission field in April; and if he desires to attend, that the Deacons designate one Sunday before April to receive an offering to help defray the expense.
2. That we increase our contribution to the State Convention to $150, and that a portion of that amount be designated as registration fees for our pastor and delegates.
3. That we increase our contribution to the Central Conference to $55.00. (This is the amount we sent last year, which included a contribution for yearbooks.)

Bruce moved that we adopt the recommendations; Wilbur seconded the motion, and it passed.

Gladys reviewed some comments that Bill made in his message at one of the cottage prayer meetings and then moved that our church send $500 toward the purchase of a jeep for Dr. Lall to use in mission work in India; the motion was seconded and passed.

She also moved that we give our pastor a raise and that the Board of

Deacons determine the amount of it; William Nobles seconded the motion. The motion was amended to add "considering the effect on his Social Security." The motion as amended passed.

Debby announced that the new hymnals came today and that the Christian Fellowship Class will be presenting them on Sunday. She noted that they ordered what they wanted and that they have enough money to pay for them.

Louise reported that she has been working on the memorial books and showed one of them.

Stuart Forlines brought up the fact that he would like for an investigation of refinancing the church loans to be made since interest rates are lower. Bill moved that we request the Board of Trustees to investigate alternate means of financing the church loan with local banks, savings and loans, or Church Finance Association and authorize the trustees to enter into any new loan advantageous to the church. The motion was seconded and passed.

Lena expressed appreciation for Marty Corbett's construction of and Merry Smith's painting of a toy box for the nursery.

Wayne Vincent expressed concern about our need to do something to get our young people to come to church. He asked that we think about it and pray about it.

The meeting adjourned at 9:05 p.m. Bill prayed the benediction.

The Reverend Edward C. Taylor, Moderator
Leah McGlohon, Clerk

MINUTES OF CALLED MEETING
November 12, 1986

A called business meeting of the church was held after the prayer service on Wednesday night, November 12, 1986. Bill Churchill, chairman of the Board of Deacons presided over the meeting, the purpose of which was to hear the recommendation of the Board concerning the pastor's compensation. Bill explained the method of payment that had been used for about a year in which part of the payment had been paid to Mrs. Taylor and noted that all of the compensation is now being paid to the pastor.

He presented the recommendation of the Board as follows: That we increase the pastor's salary by $2,000 per year--making a total of $15,000, which will include $200 per month designated as automobile expense.

Guy Corbett moved that the recommendation be approved; Alton Ray Hines seconded the motion, which passed.

The meeting was adjourned.

Mrs. Mamie Ruth Cayton, Treasurer

Bruce, reporting for the Pulpit Committee, announced that the Reverend Daniel Rivers has been engaged for fall revival services October 12-15.

Louise Hines, reporting for the Improvement Committee, noted that the storm windows for the fellowship hall and educational wing have been installed by our men; that work on the paving of the parking has begun but paving cannot be completed until the lot is dry; and that they are still in touch with the Laws Company about the stained-glass windows. This company also makes storm windows and the Committee will get an estimate from the company on storm windows for the stained-glass windows.

Pallie Avery of the Landscaping Committee gave an incomplete report because she had not been physically able to look into the matter; however, she did read a list of plants from one estimate. She added that beds would have to be prepared and that the price does not include any mulching. Plants would be guaranteed for one year. The estimate was $3,745.00 including plants and trees.

Alton Hines of the Benevolent Committee reported that two gifts had been made during the quarter as follows: $250 to the family of the sister of Belinda Ottinger, whose home was burned, and $50.00 to Troy Moore for Christmas gifts for his children.

Gladys Corbett, publicity chairman, reported that newsletters were sent at Thanksgiving and at Christmas and that the next newsletter would be sent at Valentine.

Debby Gray reported that the YFA's are planning one more supper--pancakes and sausage--next Wednesday night for their ski trip.

Merry Smith reported that the Children's Church is doing very well and is overflowing at times, but that she desparately needs some help.

Leah McGlohon gave an oral report of the Second Union, which met at Rose Hill Church on November 30, 1986.

Pittman Hines reported that the old piano is in the process of being repaired.

New Business

Bill Churchill, chairman of the Board of Deacons, presented three recommendations from the Board:

1. That the youth group from Elm Grove Church be invited to present a program on Sunday night, February 15.
2. That the Reverend Harold Jones be invited to show the missions film, "The Wait of the World."
3. That the church purchase a dual cassette player for use by the choir, etc.

Lena Churchill moved that we adopt the recommendations; Pittman seconded the motion, and it passed.

Gladys moved that we give the Brownie Scouts $100; Bruce seconded the motion, and it passed.

The following volunteered as delegates to the Second Union for the next six months: Leah McGlohon, Natalie Taylor, and Frank Branch.

Louise reported that the Town of Winterville has requested that we put relays on our heat pumps. We have three; and if all three come on at once, the demand is very great. Bob Hines can get the relays and install them for no more than $1,000. The installation would benefit the town now and the church if we were to have to pay for electricity at the demand rate. The Improvement Committee recommends that the church give permission for them to have the relays put on.

William Nobles moved that we grant permission; Bill seconded, and the motion carried.

Wayne Vincent expressed the opinion that the church should help with the expenses of the chaperons of the YFA ski trip. According to Debby, the

expense without ski lessons is $124.50 per person and that there would be six chaperons.

Gayl Evans moved that we give each chaperon $50 on the expense of the trip; Guy Corbett seconded, and the motion passed.

The meeting adjourned at 8:51 p.m. Frank Branch prayed the benediction.

MINUTES OF CALLED MEETING

March 11, 1987

The Winterville Free Will Baptist Church met in a called business session on Wednesday, March 11, 1987, at 7:30 p.m.

After the invocation the pastor recognized Bruce Gray of the Landscaping Committee to present the recommendation of the committee.

Bruce stated that the committee had received estimates from three nurseries: Williams' Landscaping, Little's Nursery, and Roberson's Nursery & Landscaping. The committee recommended that we accept the estimate of $5,167.00 of Roberson's Nursery.

He then introduced Mrs. Margaret Roberson, who went over her plan, which varied slightly from the plan drawn by Williams Landscaping as far as plants were concerned. Her estimate included preparation of the beds. She noted that we might want to use landscape fabric instead of herbicide, which would be a little higher in cost. The landscape fabric would require less care than just treating with herbicide. She opened the meeting for questions, responded to the questions, and then excused herself.

Bruce reminded that if we decided to engage the Roberson Nursery for the job that we would need to pay Mr. Williams for the drawing of the plan.

Pittman Hines moved that we adopt the recommendation including the use of landscape fabric. Debby Gray seconded the motion, and the motion passed.

The meeting was adjourned, and was followed by a benediction.

Louise Hines of the Improvement Committee reported that Bob Hines said that we would need only two relays on the heat pump and that he has been sick and has not yet been able to install them. However, they will be installed before we need air-conditioning. She also reported that a contract had been made with the Laws Company to put lexan storm windows on the stained-glass windows. The three-month time period they indicated is about up and she will contact them again.

Bruce Gray of the Landscaping Committee noted that the landscaping authorized by the called meeting on March 11 has been completed except for the replacement of one tree. There are still some additional ideas or plans to be done, but the trees will need to grow some before further work can be done. The yard looks good and the grass has been cut.

Gladys Corbett, publicity chairman, reported that newsletters had been sent twice since the last quarterly business meeting.

Merry Smith reported that the Children's Church had outgrown the second Sunday School classroom and that they have gone back to meeting in the fellowship hall, which means that she needs additional help because she loses some when they go to the restrooms.

New Business

Bill Churchill, chairman of the Board of Deacons, presented two matters from the Board:

1. A request in a letter from the Reverend J. B. Naron of the Pitt County Free Will Baptist Ministers Association for the deacons and their wives to attend the Deacons Seminar on May 1 at the Ayden Free Will Baptist Church and that the church contribute $25.00 towards the expenses and honorarium for the speaker.
2. A decision as to whether the church would like to call off the evening worship service on Easter since there will be a Community Easter Sunrise Service.

Wilbur Cayton moved that we send $25.00 for the expenses of the Deacons Seminar; the motion was seconded and passed.

Pittman Hines moved that we call off the evening service on Easter; Wilbur seconded, and the motion passed.

Bruce, speaking for the Christian Fellowship Sunday School Class, presented information about a Cannon Copier that the class would like for the church to purchase. The cost will be $2,500 for the copier, $165 for a

cabinet to set it on, and $225 a year for servicing, plus tax. His opinion was that we would not necessarily need the service contract. The total cost would be $3,123.25, or $2,798.25 without the service contract. The Christian Fellowship Class has pledged $1,000 toward the cost. He moved that we purchase a Cannon Copier NP2015 and a cabinet; Wayne Vincent seconded the motion.

In the discussion that followed, it was noted that the machine should be placed in the parsonage to replace the mimeograph machine. Harold Jones spoke in favor of the service contract. Stuart Forlines amended the motion to include the service contract; Bruce seconded the motion, which passed. The motion as amended was adopted.

The clerk gave a brief report on the Children's Home in which she noted that plans are to reopen the Deans Cottage so that the number of children in each cottage would be lowered to eight instead of twelve and that plans are being made to renovate the kitchen by lowering the ceiling, etc., which will cost $10,000. Of this amount, $2,400 had already been raised from three flea markets that have been held in the building.

She moved that we send $200 to the Children's Home on the renovation of the kitchen; Sandra Jones seconded the motion, which passed.

Bill presented a list of nominations for officers for the new fiscal year. One nomination was made from the floor. The following officers and committees were elected:

Clerk - Leah McGlohon
Treasurer - Billy R. Churchill
Assistant Treasurer - Stuart Forlines

As chairman of the Pulpit Committee, Bruce reported that the Reverend Dan Rivers has been engaged for the fall revival services the week of October 11-15.

Reporting for the Improvement Committee, Louise Hines stated that relays had been installed on the heat pump--a gift of Wilson Rhodes Electrical Contractor and Bob Hines, who did the installation--that the heat pump in the sanctuary had been fixed; that the parking lot had been paved; that the broken windows in the sanctuary had been repaired; that stained glass had been installed in the transom window in the sanctuary; and that storm windows had been installed in the sanctuary. She also reported that we owe $110,000 on the loan and that a payment of close to $29,000 will be due in November.

Pallie Avery, of the Landscaping Committee, reported that one of the magnolia trees looks as though it is not going to make it; but Mrs. Roberson will replace it in the fall. Mrs. Roberson also sent someone to put something on the grass that was growing where it shouldn't.

Gladys Corbett, publicity chairman, reported sending newsletters one time during the quarter.

Debby Gray noted that Merry Smith now has some help with the Children's Church. The Young Married Sunday School Class is helping once a month.

Leah McGlohon gave an oral report of the Second Union which met at Rose of Sharon Free Will Baptist Church on May 31, 1987. The next meeting will be held at the First Free Will Baptist Church in Williamston on August 30.

Harry Avery, chairman of the Board of Deacons presented the following recommendations from the Board:

1. That Jo Ann Pennington be elected as chairman of the Mount Olive College Benefit Drive.

2. That we endorse the invitation of our return missionaries from the Philippines, Wilhelm and Lydia van der Plas, for the morning message on the first Sunday in August.
3. That we endorse the invitation of the Reverend and Mrs. Dale Albertson, home missionaries to the deaf at the church in Wilson, for the night service on the second Sunday in August.

Erwin Hines moved that we accept the first recommendation, which passed.

Louise moved that we accept the second and third recommendations. The motion passed.

The following were elected to serve as committee members or delegates:

Homecoming Committee: Judy and Wayne Williams and Doris and Jack Weathersby.
Union Delegates: Leah McGlohon and Linda Weathersby.
State Convention Delegates: Leah McGlohon, Verna McLawhorn, and Sandra Jones. Queenie Tripp, alternate.

Karl Wesley McLawhorn suggested two things that he would like to have explored: (1) putting tile in the ditch on Cooper Street--what the state, town, or we would have to do--and (2) wiring the two rooms in the front of the sanctuary so that the windows will light up with the rest. Alton Hines commented that if we buy the tile the town will put it in.

Karl Moved that the Improvement Committee look into the two matters; Erwin Hines seconded the motion, which passed.

Leah gave an oral report of the General Conference in which she stated that personally she did not see any need for the Conference if churches from other states were not going to participate.

Edith Nobles announced that the Willing Workers Sunday School Class, with the help of others, had purchased twelve 3 x 8-foot tables for the fellowship hall at a cost of $1,033.56.

The meeting adjourned at 8:53 p.m. Stuart Forlines prayed the benediction.

Alton Hines, League director, reported that the Leagues resumed on the second Sunday in September and that the average attendance was 16, with collections of $45.50. He encouraged others to attend.

Reporting for the Pulpit Committee, Alton requested prayers for the search for a new pastor since Mr. Taylor had announced his retirement as of December 31. He also announced that the Reverend Bobby Taylor had been engaged for spring revival services in March.

Louise Hines, reporting for the Improvement Committee, announced that the Hines Memorial Class had purchased an outside light to light the parking area for $225; thanked Stuart Forlines for having the parking spaces marked in the parking lot; reported that cost of installing tile in the Cooper Street ditch would be between $5,000 and $5,500 and that the committee was working on the lighting of the choir room to come on with other lights.

Alton reported that the Benevolent Committee had functioned once during the quarter. A love offering of $290 was given to Pat Bundy after he was in an automobile accident. He also reported that one person from the church had started participating in the "Meals on Wheels" program in Winterville by helping to deliver the meals. Others have expressed an interest.

Gladys Corbett, publicity chairman, reported that newsletters had been sent out twice during the quarter and that the next one would be sent before Thanksgiving. An ad for the revival services, which cost $80, was in tonight's Daily Reflector and will also be in the Sunday's paper. There will also be a banner put out to announce next week's revival services with the Reverend Dan Rivers as evangelist.

Debby Gray announced that the YFA's are planning five suppers to raise money for a ski trip in January. The first will be held Wednesday night, October 28, before the prayer service.

Linda Weathersby gave an oral report of the Second Union which met in Williamston on August 30, and announced that the next Union would meet at our church November 29, 1987.

Leah McGlohon gave an oral report of the State Convention in which she noted that a Communion and Feet Washing Service was an inspirational part of the first day's program. She also reported that the constitution and bylaws were amended to include a representative from each of the seven conferences on the Executive Committee, which will mean more expense for the convention.

Harry Avery, chairman of the Board of Deacons, gave the following report from the deacons:

1. That they had endorsed a dedication service for children on October 25;
2. That they had endorsed the marking of the parking lot by Stuart Forlines, who knew someone who would do it if the paint was furnished;
3. That they had endorsed the Community Thanksgiving Service at our church on November 25;
4. That they had endorsed the engagement of Freddie Pierce, a student ventriloquist from Mount Olive College, at a cost of $75.00 plus 20 cents per mile for the youth service on the morning of November 29; and
5. That we remember the custodian at Christmas with a gift or a bonus.

Bruce Gray moved that we adopt the report of the deacons. The motion was seconded and passed.

New Business

Leah McGlohon and Sandra Jones volunteered to serve as delegates to the Central Conference, which will meet at the La Grange Church on November 5.

The clerk noted that for at least the last two years the State Convention had requested that the churches send $1.00 per member to the convention, and that she had forgotten to call it to the church's attention since the request did not come near the time of a business meeting. She suggested that we increase our contribution to $200 to include the registration fees.

Bruce moved that we increase the contribution to the State Convention to $200 to include the registration fees. The motion was seconded and passed.

Karl McLawhorn brought up the deaf ministry in Wilson, that he would like for the church to support it. He moved that we designate the 3 1/3% we send to Home Missions for the deaf ministry. A discussion followed. Bruce moved to amend the motion to earmark one half of the 3 1/3% for the deaf ministry at Wilson, which was seconded. The motion as amended passed.

Vickie Dalton announced that she was working with the Brownie Scouts again and would like permission to use the fellowship hall every other Saturday for another year.

Pittman Hines moved that we grant permission. The motion was seconded and passed.

Natalie Taylor, Vickie Dalton, and Mamie Ruth Cayton volunteered to serve as the Refreshment Committee for the Second Union at the church on November 29.

Clara Dell Hines moved that someone check on the cost of having the fellowship hall cleaned once a quarter. Debby seconded the motion, which passed.

Leah moved that we give $250 annually to Cragmont Assembly for debt retirement on the main building. The motion was seconded and passed.

Gladys announced that the Willing Workers Sunday School Class is planning to sponsor a retirement party for the pastor on Sunday, November 22, and moved that the church pay for the refreshments. The motion was seconded and passed.

The meeting adjourned at 9:05 p.m. Bill Churchill prayed the benediction

Junior Gurganus of the Pulpit Committee reported that the committee was scheduled to meet with a prospective pastor next week and that the Reverend Bobby Taylor had been engaged for spring revival services the week of March 21-25.

Louise Hines, reporting for the Improvement Committee, noted that Alton Hines and Robert Weathersby are looking into ways to light the choir room so that the windows will show from the outside when lighted like the windows in the sanctuary. She also announced that they had the carpets in the parsonage cleaned.

Alton reported that a benevolent gift was given to the Reverend W. S. Burns when he had heart bypass surgery.

Gladys Corbett, publicity chairman, reported that newsletters were sent in November and December and that it is time to renew the postal permit ($50.00).

Harry Avery, chairman of the Board of Deacons, reported that the deacons had endorsed the Reverend Walter Sutton of Free Will Baptist Retirement Homes to come for the night service on November 15 and that they had signed and presented a letter of commendation to the Reverend Ed Taylor on his retirement as our pastor. He then read a letter from the State Sunday School Convention requesting to use our facilities for the March meeting of the convention and that we consider catering the Teachers Appreciation Banquet following.

Since no one knew what catering the meal involved, Stuart Forlines moved that we give permission for use of our facilities, but that the convention assume responsibility for catering the meal. The motion was seconded and passed.

Alton moved that since no amount was set for the Christmas gift for Charlie Mobley for his cleaning services of the church at the last business meeting, that we give him a gift of $50. The motion was seconded and passed.

New Business

Linda Weathersby, Mamie Ruth Cayton, and Wilbur Cayton volunteered to serve as delegates to the Seconbd Union for the next six months.

Don announced that a motion to receive Bobby and Jo Ann Pennington pending their letters from Stoney Creek Church was overlooked on Sunday night. Bill moved that we receive them, and the motion was seconded and passed.

Karl W. McLawhorn announced that his daughter Karla is planning to be married on May 29 and that she would like to have the ceremony at 5 p.m. Bill moved that the night service on that date be called off. The motion was seconded and passed.

Claudie McLawhorn announced that the Christian Fellowship Class was working on a project to put miniblinds on the large window in the fellowship hall and requested that the church grant permission. A motion was made and carried to give permission.

Arlyn Branch requested permission to use the fellowship hall and one classroom once a week for an exercise and diet support class--that they would take second place to other needed use. Wilbur moved that we give permission, and the motion was seconded and passed.

The clerk suggested that the mimeograph machine and cabinet in the parsonage be sold. After some discussion, Claudie moved that we donate the mimeograph machine only to the Board of Home Missions if they can use it in a mission. The motion carried.

The meeting adjourned at 8:22 p.m. and was followed by a benediction.

The Reverend Don Ribeiro, Acting Moderator
Leah McGlohon, Clerk

MINUTES OF CALLED MEETING
February 21, 1988

At a called business meeting during the morning worship service on February 21, 1988, Debby Gray of the Pulpit Committee read a proposal concerning the election of the Reverend Doug Skinner for pastor of the church.

Bruce Gray moved that in order to give time for everyone to digest the information and to pray about it we table the matter until the Sunday night service on February 28, 1988. The motion was seconded and passed.

Another item of business from the clerk for the February 28th service was read as follows:

> Whereas I and some other ladies from the church would like to attend the Morning Star Retreat at Cragmont on the weekend of April 8-10, that the next quarterly business meeting and communion service be postponned one week--to April 15 and 17 respectively.

Dr. Don Ribeiro presided.

Bruce Gray moved that we accept the recommendation of the Pulpit Committee. The motion was seconded. Then Louise Hines of the Improvement Committee reported that the remodeling of the parsonage had been looked into; that it would cost about $20,000; that we have some over $13,000 including a pledge; and that with the 4th Sunday offerings, the payments from the Gateway Church, she thought that with some increase in giving we would not have to borrow any money.

The motion was adopted with a standing vote of 67 for and 4 against.

Louise Hines, reporting for the Improvement Committee, noted that the committee had proceeded with the remodeling of the parsonage. She expressed thanks to Bill Churchill for drawing the plans. A contract for $12,801.78 was awarded to Clifton Stocks, the low bidder, for an addition to include enlarging the master bedroom, adding another bathroom-powder room and a laundry room, and putting on a complete new roof. This price does not include painting and appliances. Other improvements will include painting throughout the inside; painting the outside shingles to match the white vinyl siding of the new addition; and purchasing a refrigerator, a stove, a dishwasher, and carpet for the bedroom.

Alton Hines, chairman of the Benevolent Committee, reported that a love offering of $439.27 was given for Susan Wade.

Gladys Corbett, publicity chairman, reported that newsletters had been sent twice during the quarter and that not as many were sent as in the past. A few over 200 were sent--200 being the number that has to be sent on the mailing permit.

Leah McGlohon gave an oral report of the Second Union, and noted that the executive committees of the Union and the District Sunday School Convention had prepared a resolution to present at the next meeting to divide the Union and the Sunday School Convention to meet every other time so that better programs might be planned and to request each church to continue sending the same amount of contributions, but to send it at the time each group is meeting.

Harry Avery, chairman of the Board of Deacons, presented nominations for a slate of officers for next year with a few exceptions which were left to be filled. (See new business below.)

Robert Weathersby reported that lights have been installed in the top part of the windows in the rooms beside the pulpit so that the whole windows will be lighted when the switches within the rooms are turned on.

The clerk brought two items from denominational ministries for which she had received letters. First, she moved that we send $200 toward the building of a physical education building, Whitley Center, at the Children's Home. Bill seconded the motion, which passed.

Second, she read a letter from Retirement Homes which requested an increase in our annual giving. Gladys Corbett moved that we increase our giving to $50 per month to Retirement Homes. The motion was seconded and passed.

Mamie Ruth Cayton expressed concern about some of our elderly members that have a long walk from where they park in the parking lot.

Arlyn Branch, Clara Dell Hines, and Leah McGlohon (who will purchase Bible) were elected as a committee to plan for Senior Sunday.

Bill announced that since a new addition is being added to the parsonage that he had increased the insurance to $70,000.

Someone asked about the addition of land being considered at Cragmont Assembly. Bobby Pennington answered that it was a tract of 6.7 acres immediately across the road from Cragmont that is being sold and that there is concern that we purchase it so that we would have control over how it is used. The property includes a two-bedroom and one-bath house, two mobile homes, bath house, 16 RV camping sites for a price of $115,000. The plan if purchased would be to borrow an additional $10,000 to do some necessary work to open it for the summer.

The meeting adjourned at 8:40 p.m. Harold Jones prayed the benediction.

Reporting for the Pulpit Committee, Alton announced that the pastor would be the evangelist for the fall revival services the week of October 10-14.

Louise Hines, reporting for the Improvement Committee, stated that most of the work on the parsonage has been completed and that they had decided to wait on the rest of the vinyl siding until after the obligation on the payment on the church is met in the fall. She thanked those who helped hang wallpaper, who put the formica on the cabinet tops, etc.

Alton also reported that benevolent gifts were made to Pallie Avery and Clara Stox and that Johnny Stox, Clara's father, had expressed his appreciation for the love offering.

Gladys Corbett, publicity chairman, reported that newsletters had been sent one time since the last business meeting.

New Business

Leah McGlohon was the only person to volunteer to serve as a delegate to the Second Union, the next meeting of which will convene at Black Jack Church on July 31.

Delegates to the State Convention in Mount Olive on September 14-15 will be Leah McGlohon, Pittman Hines, and Sandra Jones.

Wilbur Cayton gave an oral report of the Second Union which met at Bethany Church on May 29. He stated that the resolution to separate the Second Union and the District Sunday School Convention, each to meet every other time, passed. He noted that the program, "Concert of Prayer" led by the Reverend Harold Jones, was very good.

The pastor announced that he has been before the Central Conference Ordaining Council to transfer from the Eastern Conference to the Central Conference.

Ellen Forlines was elected to serve as chairman of the Homecoming Committee. She will get her helpers for the committee.

Louise expressed appreciation to Jack Weathersby for obtaining three wheel chairs for church use. The chairs were donated by the Greenville Villa nursing home, which was in the process of throwing them away. Jack, with the help of some others from the church, bought necessary parts and repaired the chairs.

The clerk announced that the church had received a special award certificate in recognition of outstanding volunteer service from the Pitt County Council on Aging for those who deliver the Meals on Wheels. She also read a letter of appreciation from the Board of Home Missions for the gift of the mimeograph machine, valued at $250, for use in home missions.

Bruce Gray of the Board of Trustees asked what the church wanted done with the appliances removed from the parsonage. It was noted that the front stove burner does not regulate heat right and that the refrigerator is presently being used in Clayton by the Bakers, missionaries home on furlough. The pastor installed his personal washer and dryer in the parsonage.

After some discussion Stuart Forlines moved that we donate the appliances to a needy family. The motion was seconded and passed.

The meeting adjourned at 8:55 p.m. The Reverend Harold Jones prayed the benediction.

Virginia Hines, codirector of the Leagues, reported that the Leagues resumed on September 18; that attendance for the three meetings had been 27, 24, and 19; and that the treasury brought forward $44.60 with receipts of $72.41, making a total in the treasury of $117.01.

Louise Hines, reporting for the Improvement Committee, noted that Mark McGlohon made bookcases for the pastor's study without charge for his labor, that two chairs--a gift--had been added to the study, and that an old task to finish was to add vinyl siding on the rest of the parsonage.

Gladys Corbett, publicity chairman, reported that the pastor is doing the church letters, that she did do some advertising for the revival services and gave the treasurer a bill for $55 for the advertising in The Daily Reflector.

The pastor reported that he had been getting some good reports from Children's Church.

Only one person, Leah McGlohon, volunteered to serve as delegate to the Central Conference at Marlboro Free Will Baptist Church on November 10.

Linda Weathersby volunteered to attend the Second Union Sunday School Convention on October 30 at Community Free Will Baptist Church, Weldon, as another delegate to the Second Union which we were short from the last business meeting.

Guy Corbett, chairman of the Board of Deacons, gave the following report:

1. That they had approved Jo Ann Pennington to replace Barbara Hines as Children's Church choir director.
2. That they recommend that the church begin a tape ministry--record Sunday messages, duplicate, and take to shut-ins.
3. That the YFA's may have 3 fund raising dinners--2 on Wednesday nights and 1 on a Saturday.
4. That the YFA's may have a lock-in.
5. That they had denied the use of the fellowship hall to the town for voting because they felt people could be all over the church. He had talked with the one who made the request and he agreed.

E. C. Hines, who is the town mayor, added that he agreed because he didn't think a church was the place to hold such elections.

Mr. Skinner explained the tape ministry--that there would be an initial investment for a duplicator recorder of about $500 to $700. In his former pastorate, the church bought some players for the shut-ins who didn't have them to use. After the initial investment there would not be very much cost because the tapes can be bought in bulk for about 45¢ per tape and reused for the life of the tape. He would also like for the church people to deliver the tapes.

Old Business

Ellen Forlines expressed her appreciation for the fact that everyone

she had asked to help with Homecoming did so graciously.

New Business

Bruce moved that we procure the equipment necessary for a tape ministry ($500 to $700) as recommended by the Board of Deacons. The motion was seconded and passed.

The pastor presented some ideas that he would like for us to think about: (1) a folder to fold newsletters and bulletins, (2) possibly a word processor or computer, and (3) subscribing to Newsletter Newsletter--the subscription price of which is $29.95 a year.

Gladys moved that we subscribe to Newsletter Newsletter. The motion was seconded and passed.

Bruce thinks that we should consider hiring someone to mow the lawn.

Harold Jones brought up the idea of moving the sound equipment from beneath the piano to the balcony. Ellen reported that the Christian Fellowship Class is looking into the matter. It was thought that the cable would cost $1500.

Bill Churchill, treasurer, asked about the service contract on the Canon coping machine. The contract has expired and it was not clear to him whether he was authorized to renew it.

Bruce moved that we make an annual service contract on the copier. The motion was seconded and passed.

Cindi Brown announced that the Young Women's Bible Study is planning an all night retreat at the church on Friday, November 11.

The pastor announced that he will attend a Billy Graham school in Asheville, November 10-12.

Someone announced that Mike Denton and his co-leader of a Boy Scout troop would like to use the fellowship hall for meetings. Bruce moved that we grant permission for them to use it as long as their meetings do not interfere with church activities. The motion was seconded and passed.

Leah McGlohon reported that the slides of her slide/tape history of the church prepared for the seventy-fifth anniversary had been completely destroyed by a leak in the ceiling of the closet where she had them stored. She doesn't know whether she can replace all the slides or not.

The meeting adjourned at 9:01 p.m. Alton Hines prayed the benediction.

The Reverend Douglas Skinner, Moderator
Leah McGlohon, Clerk

A motion was made and passed to accept the recommendation of the deacons.

Reporting for the Pulpit Committee, Alton Hines announced that the Reverend James Lupton has been engaged as the evangelist for the spring revival services to be held either the first or second week in April.

Louise Hines, reporting for the Improvement Committee, noted that Mark McGlohon was going to make some shelves for the Nursery to hold diaper bags. She has contacted Billy Wade about completing the aluminum siding on the parsonage and he will do so about March. She also reported that she had received a pledge of $5,000 toward building some additional classrooms. The first note on the fellowship hall and the educational wing has been paid in full, and $50,000 is owed on the other note.

Keith Knox reported that Children's Church is averaging 18 to 23 and is growing. He expressed that some of the children have shown a great change in the way they act since they have been in Children's Church.

Leah McGlohon was the only person to volunteer to serve as a delegate to the Second Union which will meet on January 29 at Elm Grove Church.

Guy Corbett, chairman of the Board of Deacons, reported that some of the ladies have asked for a light to be placed outside the fellowship hall. After some discussion, Stuart Forlines moved that the Improvement Committee look into lighting the dark areas of the parking lot. The motion was seconded and passed.

Jack Weathersby moved that we install an extension telephone in the church that is accessible since the phone is locked up in the pastor's study. The motion was seconded and passed.

The pastor announced that the equipment to tape the church services has been received but that there are some bugs to be worked out.

New Business

Leah moved that we continue to give $1,000 annually to the library at Mount Olive College for books. The motion was seconded and passed.

Keith brought up the need of an audio-visual cart for Children's Church. He had checked and the cost of one would be $210.

Bill Churchill moved that the church underwrite reasonable expenditures of the Children's Church. The motion was seconded and passed.

The pastor brought three suggestions before the church:

1. Since he has been living here, his travel expense has not been as great as in his former pastorate; therefore, he suggested that his travel expense be dropped to $100 per month and that the other $50 be designated as retirement. For tax purposes it would help.

   Karl McLawhorn made a motion to make the change, which was seconded and passed.

2. He suggested that we observe a missions emphasis weekend on March 17-19. A missions film would be shown on Friday night; a covered-dish meal would be held on Saturday night, with Missionary Fred

Baker as speaker; Missions Director Harold Jones would speak at the Sunday morning service and show slides at the Sunday night service. The only expense would be for the film.

Bruce Gray moved that we support the missions emphasis weekend. The motion was seconded and carried.

3. He suggested that we set up a petty cash fund of $100 to have on hand in the office for mailing newsletter, stamps, etc., to be renewed each quarter to keep the fund at $100.

Stuart Forlines made a motion to do so, which was seconded and passed.

Karl noted that to use the grill we needed an outside outlet. He moved that the Improvement Committee have a 220 outlet installed outside so that the grill can be used. The motion was seconded and passed.

Harold brought up the fact that a light would be needed to cook outside. It was noted that the former motion about lights for the dark areas could cover it.

The meeting adjourned at 8:46 p.m. Alton prayed the benediction.

Louise Hines, chairman of the Improvement Committee, reported that storage shelves made for the Nursery by Mark McGlohon have been completed, that the vinyl siding project on the parsonage has been completed, that shelves have been added in the storage room of the fellowship hall, and that the telephone extension has been installed by Robert Weathersby and Bernard Willis. She also announced that an evaluation for lighting the parking area is being made.

Gladys Corbett, publicity chairman, announced that since her work place has moved out of downtown Ayden that it is not convenient for her to serve as publicity chairman and that she did not want to be reelected.

Virginia Skinner, Sandra Jones, and Linda Hines volunteered to serve as delegates to the Second Union.

New Business

Bill Churchill suggested that the church officially approve that the assistant treasurer be able to sign checks if the treasurer should not be able to do so. Bruce Gray moved that we do so. The motion was seconded and passed.

The clerk moved that we give $300 for the Whitley Center at the Children's Home to make a total of $1,000 that we have given. The motion was seconded and passed.

Louise said that the Improvement Committee wanted to know if there was

interest in their beginning some preliminary planning for future expansion. If so, they needed the church's approval. Also, they would like to set up a time, possibly after prayer meeting one night for input. Some things that had been expressed to them were additional classrooms, storage space, a Sunday School superintendent's office, and space for Children's Church.

Bruce moved that we approve that the committee begin preliminary planning. The motion was seconded and passed.

The pastor had received information from Olin Mills wishing to know if we want to update our church directory. No action was taken.

The pastor presented some suggestions to the church:

1. He would like to form a pastoral advisory committee that he would select. He would probably have them to sign a paper that what was discussed would not be talked about outside the committee. The committee, consisting of 5 or maybe a few more, would probably meet once a quarter.

   Bruce moved that we approve the committee, and the motion was seconded and passed.

2. He would like for each group in the church to turn in an activities calendar for the year for the purpose of coordinating activities.

3. He would like for the church to think about getting a word processor or a computer. Bruce suggested that he get some prices.

The pastor presented a slate of proposed church officers and committees prepared by the Board of Deacons. It was noted that for several years the assistant Sunday School superintendent had been elected by the church but was not included. Bill Churchill moved that the Sunday School elect the assistant Sunday School superintendent. The motion was seconded and passed.

The following officers and committee members were elected:

Clerk - Leah McGlohon
Treasurer - Billy R. Churchill
Assistant Treasurer - Stuart Forlines
Board of Deacons - Jack Weathersby, 1995 (Wilbur Cayton, 1990; E. C. Hines, 1991; Stuart Forlines, 1992; Bruce Gray, 1993; Karl McLawhorn, 1994)
Chairman of Ushers - R. H. Wade
Assistant Chairman of Ushers - E. T. Carawan
Organist - Gladys Corbett
Assistant Organist - Linda Weathersby
Pianist - Debby Gray
Assistant Pianist - Virginia Skinner
Improvement Committee - Doris Weathersby, 1994 (William Nobles, 1990; Alton Ray Hines, 1991; Louise Hines, 1992; Claudie McLawhorn, 1993)
Pulpit Committee - Wilbur Cayton, 1992 (Debby Gray, 1990; Judy Williams, 1991)

Benevolent Committee - Mamie Ruth Cayton, 1992 (Arlyn Branch, 1990; Verna McLawhorn, 1991)
Publicity Chairman - Cindi Brown
Representative of Free Will Baptist Press Memberships - Leah McGlohon
Adult Choir Director - Leah McGlohon
Children's Church Choir Director - Jo Ann Pennington
Youth Choir Director - Linda Weathersby
Sunday School Superintendent - Robert Weathersby

The pastor suggested that two nurseries are needed--one for babies and one for toddlers. He volunteered to set it up with volunteers. A coordinator would be needed. He would put an insert in the bulletin for people to volunteer to serve.

Stuart Forlines moved that we give the pastor the opportunity to set up the nurseries. The motion was seconded and passed. The two nurseries will begin in July.

Louise wanted to know if the church would like for shutters to be put on the parsonage. Clara Dell Hines made a motion that shutters be put on, which was seconded and passed.

The meeting adjourned at 8:45 p.m. Erwin Hines prayed the benediction.

The Reverend Douglas Skinner, Moderator
Leah McGlohon, Clerk

MINUTES OF CALLED MEETING
April 30, 1989

After the evening service on April 30, 1989, a called business meeting was held with the pastor presiding. Wilbur Cayton prayed the opening prayer. There were two purposes for the meeting: to get a committee for Senior Sunday and to consider funding women's and men's softball teams.

Mamie Ruth Cayton moved that we reelect the committee who served last year. The motion was seconded and passed. The committee will be composed of Arlyn Branch, Clara Dell Hines, and Leah McGlohon (who will get the Bibles).

The pastor announced that he had agreed to be the coach with certain conditions and certain standards. He enumerated some of the standards.

Don Ribeiro thanked the church for the support that had been given the teams in the past. He gave the following expense figures: $225 for the women's team, $260 for the men's team, and $75 for balls, making a total of $560. Bruce Gray moved that we sponsor the teams to that amount of money. The motion was seconded and passed. He also moved that the church support the coaches and establish a governing softball board. The motion was seconded and passed.

Erwin Hines prayed the benediction.

The pastor, reporting for the Pulpit Committee, announced that the Reverend C. L. Patrick has been engaged as the evangelist for the Spring revival services in 1990, and that the Reverend Wayne King for evangelist for the Spring revival services in 1991.

Louise Hines, chairman of the Improvement Committee, reported that the floor in the fellowship hall was cleaned, that a file cabinet was purchased for the pastor's study, that an additional refrigerator for the kitchen was donated by Alton Hines, and that the light for the parking lot will be installe next week. She also reported (1) that the committee is moving toward some plans for additional classrooms, etc.; (2) that they are looking into what materials (vinyl or fiberglass mentioned) are available that will best protect the woodwork of the church; and (3) that they have discussed installing draperies at the openings from the rooms to the baptistry to cut down on the noise when Sunday School classes are using the rooms.

They recommended that we purchase the draperies, a ladder for the church, and a lamp changer to replace bulbs in the sanctuary of the church.

Bruce Gray moved that we receive the report and act on the purchases. The motion was seconded and passed.

The Laymen's League will clean the grounds tomorrow provided that it doesn't rain.

Arlyn Branch gave the following report of the Benevolent Committee:

The committee asked for support for Robbie Allen but did not send any funds directly.

A gift of $150 was made to Edward Lee Hardee, who lost everything in a fire at the nursing home where he is staying.

Debby Gray, YFA sponsor, reported that the YFA members are planning their annual winter retreat to the mountains in January to ski. They are planning four suppers--3 on Wednesday nights (Oct. 18, Nov. 15, and Dec. 6) and a steak supper on Nov. 4--for donations to help the members with their expenses. At the present time if all the rooms are filled, the expense will be $218 per person.

It was reported that Janet Coggins and Juanita Corbett are now sponsors for the AFC.

Linda Weathersby reported that the Infant and Toddler nurseries are running smoothly.

Ginny Skinner thought the Children's Church is reaching the children.

Leah McGlohon was the only person to volunteer to serve as delegate to the Central Conference, which will meet at the First Free Will Baptist Church in Greenville on November 9, 1989.

Leah made a report of the State Convention, which met at College Hall, Mount Olive College, on September 13 and 14. She reported that Dr. and Mrs. Burkette Raper were presented a plaque honoring them for 35 years of service to Mount Olive College. Two constitutional changes were made: (1) the State Sunday School Convention was made a part of the State Convention as the Sunday School Board, and (2) "Convention of Original Free Will Baptists" was made an additional name for the convention. Leah was elected as a member of the Sunday School Board. Bruce added that Don Ribeiro was elected to the Board of Trustees of Mount Olive College.

Old Business

Bobby Pennington of the Ad Hoc Printer Committee appointed at the last business meeting gave the following recommendation:

> After pricing and comparing many computer printers, we recommend the OKIDATA 321 from Computerland. The price, $550.00 plus tax, includes a printer cable, a tractor feed, and a single-sheet feed. It has a 9-pin print head and a speed of 63 cps at near letter quality and 300 cps in draft mode.
>
> Ad Hoc Printer Committee:
> Bobby Pennington
> Gayle Davenport
> The Rev. Doug Skinner

The committee did not recommend purchasing the service agreement for $100 per year.

Bruce moved that we purchase the printer recommended by the Committee. The motion was seconded and passed.

New Business

Bruce moved that the Improvement Committee be given permission to purchase the draperies, the ladder, and the lamp changer to replace bulbs. The motion was seconded and passed.

Since Dr. Don Ribeiro could not be present, the pastor announced that Don was interested in having a church basketball team. It will cost $300 to be a part of the church league composed of Reedy Branch, Friendship, Winterville and several other denominational churches. Bruce moved that the church support the basketball team. The motion was seconded and passed.

Bruce asked for help in setting up the tables in the fellowship hall for Homecoming on Sunday after the meeting adjourned tonight.

Arlyn Branch noted that the shrubbery around the church needs some attention and needs treating also. Stuart Forlines moved that we hire someone to keep up the shrubbery and trees. The motion was seconded. A discussion on price followed. Bruce moved that we table the motion until the Landscape Committee looks into some prices. The motion to table was seconded and passed by a vote of 39 to 7.

The meeting adjourned at 8:42 p.m. Jack Weathersby prayed the benediction.

The pastor, reporting for the Pulpit Committee, noted that the Reverend C. L. Patrick will be the evangelist for the spring revival services March 19-23.

Louise Hines, chairman of the Improvement Committee, reported that the light changer had been purchased, that the parking lot light had been installed, that draperies for the choir room openings had been found, and that Bill Churchill has sketched some plans for discussion on the additional classroom space that we need.

Leah McGlohon reported that the Woman's Auxiliary had requested everyone to join them in a self-denial project--to deny one's self something each week until Easter and give the money--for helping to renovate the church building that was given to the mission in India. Our goal is $1,000.

No one volunteered as delegates to the Second Union for the next six months, but there is not a meeting until after our next business meeting in April.

Wilbur Cayton, chairman of the Board of Deacons, read the following recommendations from the Board:

1. That the church use prepared secret ballots in business

meetings when dealing with personalities or subjects that such a ballot may help in getting a true vote.

2. That the church pay for guest or fill-in speakers for six additional leave services for the pastor. (This is only to help direct the church treasurer in what to do in the event of a guest or fill-in speaker.)

The first recommendation was discussed, and Bruce Gray made a substitute motion that the church be prepared at each business meeting to offer secret ballots upon request from any church member and that we educate our members on this fact. Karl W. McLawhorn seconded the motion, and it carried.

The second recommendation was discussed, and Bruce moved that we offer to our pastor leave for two professional services on Sunday, either morning or evening. Alton Ray Hines seconded the motion and it passed.

The pastor announced that a tentative date for a weekend retreat at Cragmont for the church had been scheduled for June 8-10. He asked for a show of hands of who would be interested in going.

Jack Weathersby gave a report on our Homecoming in October--that we had a good service. He announced that there was a great deal of the barbecue left over, that $20 worth was sold, and that the remainder was given to the Greenville Homeless Center on Chestnut Street in Greenville.

Karl asked about one missing wheel chair. Ellen Forlines answered that she had it.

Gayl Davenport noted that some new people are confused about AFC, YFA, Leagues, etc., and asked if there was anyone who knows about all.

The pastor volunteered to prepare a pamphlet explaining all if the church wanted him to do so. Gayl moved that the pastor produce a pamphlet that explains the various auxiliary meetings or programs of the church. The motion was seconded and passed.

Virginia Skinner asked about inviting outside groups for special services on a Sunday night--if the Pulpit Committee or the pastor authorized it. The clarification was that the pastor did.

By mutual consent the treasurer is authorized to change the $50 gift for visiting music groups to special services unless a love offering is received.

Louise announced that the final payment on the church has been paid in full--that we are debt free. Approximately $10,000 has been received since December 31, 1989, which included an anonymous gift of $6,645.07. She also noted that we have some more projects to take care of and urged that we continue our giving so that we may be prepared to complete them.

The meeting adjourned at 8:49 p.m. The pastor prayed the benediction.

Idelle McLawhorn moved that the church place an advertisement of our weekly services in The Daily Reflector each week. The motion was seconded and passed.

Senior Sunday will be observed on June 3. Arlyn Branch, Clara Dell Hines, and Leah McGlohon (to purchase Bibles) will serve as the Committee.

Pittman Hines noted that the Nobles Men's Sunday School Class was working on a project to build an outside building (utility/workshop) at the parsonage, which would be 24' x 24' or 24' x 30', and moved that the church accept the project of the class. The motion was seconded. In answer to a question of what kind of building it would be, the assurance was made that it would look like the parsonage. The motion passed.

Leah reported that she had attended the Inaugural Dinner for the Road to Excellence Fund for Mount Olive College on Tuesday night. Of the $10,000,000 goal, it was announced that $3,800,912 had been pledged. She was going to put the schedule of gifts required for the $10,000,000 goal on the bulletin board for everyone to look at and requested that everyone pray about what he/she as an individual and the church could do when the campaign is started.

Gayl Davenport announced that she and Ray had moved to Mount Olive and related the visitation of people from the churches in town that she had experienced.

Norman Pollard asked if anything was being done about the bad condition of the paint on the outside of the church. Louise responded that she had contacted Mr. Lancaster who painted it and he agreed that it was in bad condition and did not know why. She has also tried to contact the person from whom the paint was bought, but has not been able to reach him yet. Until they can find out what is causing the condition, it would not do to repaint. The committee is aware of the condition and is working on it.

Don reported that the Teen Hour that has been being held after the evening services on Sundays has not reached the group of teenagers that he and Linda Weathersby would like to reach. They would like to have a church service for our teenagers. He has talked with the Board of Deacons and

will take the responsibility for the service, which will be held every Sunday night but 4th Sunday nights and the nights on which we have Communion. If the church accepts, he would like to meet with the parents of teenagers on Thursday night here at the church.

Seth Cayton moved that we accept Don's offer to have a Teenage Church on Sunday nights. The motion was seconded and passed.

The meeting was adjourned with prayer.

The pastor, reporting for the Pulpit Committee, announced that the Reverend Phil Wood would be the evangelist for our fall revival services and that the Reverend Wayne King would be evangelist for our spring 1991 services.

Louise Hines, chairman of the Improvement Committee, reported that draperies for the choir rooms have been received but have to be put up; that a storm window to go over the circular window in the fellowship hall had been installed; that the steeple lights have burned out and replacements are on back order from G. E. and will have to be made, which will take at least a month; that shingles to replace those blown off in a storm had been replaced; that Melvin and Barbara Hines had donated a sofa, which is in the parlor (the one it replaced is in the area just outside the fellowship hall); that the company that covered the pews, Church Interiors in Tennessee, had recovered the pews whose fabric had split in some places with new fabric at no expense to the church; that roof vents are needed; and that the Christian Fellowship Sunday School Class had donated two chair racks.

It was noted that the Benevolent Committee had acted in making a financial contribution to the Reverend Bobby Futrell, who has multiple sclerosis.

Sandra Jones, president of the Woman's Auxiliary, announced that some sponsors for the AFC's are needed.

The following volunteered to serve as delegates:

Second Union for six months--Linda Hines, Ginny Skinner, and Leah McGlohon

State Convention, September 12, 13--Leah McGlohon and Pittman Hines.

E. C. Hines, the new chairman of the Board of Deacons, announced that he had no report to make but that he would like to have any help that anyone could give him.

The pastor announced that Teresa Ball (of Elm Grove FWB Church), who works in the Eastern Lumber building downtown, had requested to have a Bible Study in our fellowship hall during lunch hour every day for a group of secretaries and that she would be responsible for the use. He asked what the church would like to do about the request. Linda McLawhorn moved that we allow them to use it; Seth Cayton seconded the motion, and the motion passed.

Old Business

Arlyn Branch, publicity chairman, reported that she would like to try advertizing our church services in The Daily Reflector once a month with an advertisement and to use the church page reports the other three weeks, which would be free. Lena Churchill moved that the Publicity Committee insert the paid advertizement in the newpaper once a month. The motion was seconded and passed.

New Business

Doris and Jack Weathersby volunteered to serve on the Homecoming Committee.

Someone asked if the Benevolent Committee had any suggestion for further help for the Reverend Bobby Futrell. They did not make any suggestion, and no further action was taken at the present time.

J. D. Fleming discussed starting a fund for a retirement home for the elderly. He realized that it would be a long drawn out thing. There was a discussion, and we were requested to think about the matter.

Louise noted that we have had a lot of problem with the outside paint on the church and that the Improvement Committee had learned that there is not enough ventilation in the roof. The Committee has discussed putting a roof vent on the top ridge of the church and thus far has received one bid for a 3700-foot ridge vent for $2700. They would like the church's permission to install the roof vent at a cost not to exceed $2700 and when that is completed to have the church painted outside.

Judy Williams moved that we give the Committee permission to go ahead and do what they deem necessary. The motion was duly seconded and passed.

Karl W. McLawhorn asked if there had been a motion to move the sound system to the balcony. It has been brought up before but no action was taken. Linda McLawhorn said that the Christian Fellowship Class had looked into the matter. Karl moved that the Improvement Committee have the sound system moved to the balcony. The motion was seconded and passed.

Robert Weathersby moved that we have a vote of confidence in the pastor and that it be done by secret ballot. The pastor turned the meeting over to E. C. Hines, chairman of the Board of Deacons, and excused himself. The motion was seconded, and passed with some opposition.

The vote by secret ballot was 28 yes for confidence in the pastor and 14 no.

When the pastor returned and was told the result, he said that he would have to pray about it. He further stated that what was needed was a spirit of forgiveness among the members of the church. (Note: The following Sunday morning the pastor reported that he had prayed about it and was at peace and that he would remain as pastor.)

In his report, he noted a number of things he would like to see done:

1. Concerning the brochure he had volunteered to make, he asked for reports from classes and auxiliaries.
2. He would like to have a six-week study for deacons during the League time.
3. He would like to start an Evangelism Explosion program during the winter (January 13-May), which will cost $200 to $250 to get started.
4. He would like to make a calendar of events for 1990-91.
5. He would like to get something started for the senior citizens.
6. He would like to see the Children's Church revitalized.

The meeting was adjourned with prayer at 9:14 p.m.

Leah McGlohon, Clerk

Leah McGlohon, general director, reported that the Leagues had resumed meeting on the second Sunday night in September and that the statistical report would be included in the next quarterly report.

Sandra Jones, president of the Woman's Auxiliary, reported that we still need some leaders for the AFC's and the Cherubs.

The pastor reported that the People to People visitation had made between 90 and 100 visits since sometime in September.

The following will serve as delegates to the Central Conference which will meet here at our church on November 8, 1990: Leah McGlohon, the Reverend Harold Jones, and Pittman Hines.

The pastor also reported that the deacons are in the middle of their class which meets during the League time.

Old Business

The pastor asked for clarification of the statement in the January 12, 1990, minutes--"By mutual consent the treasurer is authorized to change the $50 gift for visiting music groups to special services unless a love offering is received." No increase in the amount paid is in the statement. It just broadened the groups to any special services.

Stuart Forlines moved that we raise the amount given to individuals or groups giving special services to $75.00. The motion was seconded and passed.

The clerk brought up about the matter of looking into filling in the ditch on ~~Church~~ Cooper Street, which is in the minutes of July 10, 1987. Louise Hines of the Improvement Committee reported that they did discuss it but said that when the building was laid out, it was planned for an open ditch and that we might have problems with drainage if it was filled in.

New Business

Louise further reported that shutters and a storm door had been installed at the parsonage; that a storm window over the fellowship hall door and a rain director over the sanctuary door had been installed; that the draperies had been hung in the choir rooms to help control the sound from one to the other; that a chair for the nursery had been given by Melvin and Barbara Hines; that the steeple light bulb had been replaced; that ventilators for bathrooms and kitchen had been painted; that the columns and rotted wood at the back sanctuary door will be replaced and repaired; that the contract for the roof ridge has been let to Greenville Construction for $2,234.00; that the painting will be done when the vents are installed; and that Hi-Tech will moved the sound equipment wiring to the balcony (choir mikes will be included) for $1,280.00, but some other things were added so that the price will probably be approximately $1,600.00.

The pastor added that the sound system with 16 channels is in transit now. Erwin added that we have only 7 channels on the board, but that Hi-Tech has a 12 channel board that has been used and is willing to let us

try it. The used board will sell for $1,000.00. He said that we might want to look at it while they are working on the sound system.

Karl W. McLawhorn moved that Erwin check into the channel board and if it is worthwhile to purchase it. The motion was seconded and passed.

Karl announced that a person gave a chest that was late for the harvest sale. It is in the fellowship hall. There will be some envelopes there for people to put their names and bids in by 1:45 p.m. on Sunday.

Gladys Corbett expressed the thought that the Benevolent Committee should look into the matter of whether the Reverend Bobby Futrell needs any regular financial help and report back at the next meeting.

Don Ribeiro moved that the church support a men's basketball team with $350. Any unused funds would be reimbursed to churches participating. The motion was seconded and passed.

Since the Central Conference will be meeting here, Louise asked what we needed to do about it. The pastor replied that it had been taken care of--the meal will be catered.

Verna McLawhorn asked about plates, etc., for Homecoming. Doris Weathersby of the Homecoming Committee replied that the committee would take care of having them available for use. Barbecue will also be provided.

Cindi Brown asked about new furniture for the two children's Sunday School rooms. Louise replied that it is being worked on.

The clerk moved that we increase our contribution for the retirement of the debt on Cragmont from $250.00 to $500.00 a year. The motion was seconded and passed.

The meeting was adjourned at 8:35 p.m. Erwin prayed the benediction.

The pastor, reporting for the Pulpit Committee, announced that spring revival services will be held the week of March 18-22, with the Reverend Wayne King as the evangelist. He also noted that a Missions Emphasis Weekend would be held March 8-10.

Louise Hines, of the Improvement Committee, reported that 4 tables and 22 chairs have been ordered for the Nursery and Beginners classrooms and will come in 6 to 8 weeks. She also noted that the sound system had been moved, that a board and an amplifer had been purchased for the sound system, that a garage has been built at the parsonage, that the church was treated for termites, that the roof ridge vent has been installed, and that the painting of the outside will be done in the spring when things dry out.

Verna McLawhorn gave the following report of the Benevolent Committee:

1. We recommended that the church take up on offering for the Furlough family. (Note: Loretta and four children were in a vehicle accident.) The amount of the love offering was $400.
2. We recommended giving $150.00 to Ruth Flake.
3. We recommended to give Mrs. Bernard Willis $100.00
4. Since the Rev. Bobby Futrell's illness will be an ongoing ordeal, we are asking the church to consider some assistance on a monthly or quarterly basis. We would like to hear from the members concerning this appeal.

Benevolent Committee
Verna McLawhorn
Mamie Cayton
Lena Churchill

It was noted that the Cherub Auxiliary has been started again and will be meeting on the first Sunday night each month.

Erwin Hines and Leah McGlohon volunteered to serve as delegates to the Second Union for the next six months.

E. C. Hines, chairman of the Board of Deacons, reported that our cleaning man will retire at the end of this month; therefore, we will need someone to replace him.

Bruce Gray moved that the Improvement Committee engage someone to clean the church. The motion was seconded and passed. It was noted that a job description will need to be written.

The deacons received a request from Jackie McLawhorn at A. G. Cox Grammar School to use the church for a wedding on March 30, 1991. Seth Cayton moved that we grant permission. The motion was seconded and passed.

Amendments to the guidelines for use of the church were presented. The guidelines as passed by motion follow:

GUIDELINES FOR USE OF THE
WINTERVILLE FREE WILL BAPTIST CHURCH

1. Use of the Fellowship Hall:
   a. Stay within our doctrine and church covenant (no alcoholic beverages).
   b. Member or members involved are responsible.
   c. Nothing is to be carried out other than chairs and tables. (See chairman of the Board of Deacons.)
   d. No drinks or food is to be carried out of the fellowship hall to other parts of the building.
   e. Fellowship hall is to be left as it was found unless otherwise instructed.
2. Use of the Sanctuary:
   a. Only church and Sunday School members and their relatives may use it.
   b. Only no-wax candles are to be used for weddings, etc.
   c. Sanctuary is to be left as it was found unless otherwise instructed.

These guidelines will be provided for those using the church.

The pastor requested the use of the fellowship hall on March 5 for the Central Conference Ministers Workshop. Bill Churchill moved to approve, and the motion was seconded and passed.

E. C. reported that the Layman's League wanted to set up a scene on the church grounds for Easter and one for Christmas. Bruce moved that we grant permission. The motion was seconded and passed.

The Willing Workers Sunday School Class has also expressed an interest; therefore, a meeting will be held at the close of the business meeting tonight.

New Business

In response to the request by the Benevolent Committee, Gladys Corbett moved that we send the Reverend Bobby Futrell $50.00 a month. The motion was seconded and passed.

The Improvement Committee requested permission to purchase 4 mikes, cords, and stands (probably $100 each) for the sound system. They also noted that J. E. Everett, who treated the church for termites, has offered a contract for $150, beginning October 5, 1991, for termite control.

Bruce moved that we purchase 4 mikes, cords, and stands. The motion was seconded and passed.

Gladys moved that we get the contract for termite control. The motion was seconded. Someone asked if the contract covered structural damage. Bruce moved that the motion be tabled until the next business meeting so that we can find out. The motion to table was seconded and passed.

It was reported that at the Central Conference, which met here on November 8, our pastor was elected as secretary.

Leah reported that the time of the Second Union Sunday School Convention, which will meet at Piney Grove Free Will Baptist Church in Pitt County, has been moved to the fourth Sunday in March because fifth Sunday is Easter.

Bill asked if we are still advertising our church services in The Daily Reflector at $25.00 and asked if it is doing any good or could the money be put to better use. No response was made.

The meeting was adjourned at 8:34 p.m. Alton Hines prayed the benediction.

Leah also requested that the church assist the Leagues in purchasing materials for the literature and materials for the four youth Leagues because the literature and materials are more expensive than the Leagues can handle. Erwin Hines moved that the church asssist the Leagues in purchasing materials. The motion was seconded and passed

Judy Williams, chairman of the Pulpit Committee, reported that she had nothing to report on securing a new pastor except that the committee is talking to someone. She announced that the time of the fall revival services will be September 23-27 with the Reverend Charles Barnard as the evangelist. The change from the regular time of the fall revival services was made because Mr. Barnard could not come at that time.

Louise Hines, chairman of the Improvement Committee, reported that the Nobles Men's Class has completed the parsonage garage, that the microphones have been ordered and will be installed soon, that Mr. George Shoe is getting bids for the painting at this time, that the carpet stained by

termite treatment will be cleaned, that the Genesis Sunday School Class purchased porta-cribs for the nursery, and that the committee drew up a job description and a cleaning services contract. She read the contract. (See the file on these.)

Lena Churchill of the Landscape Committee reported that somebody started a fire around the Easter display of Christ's tomb on the lawn and that 13 shrubs were burned. Because of the shortness of time to get them replaced before Easter, she got a bid from only one nursery--Roberson's Nursery & Landscaping. The bid was $457.00 of which the insurance will pay all but the $250.00 deductible.

Verna McLawhorn reported that the Benevolent Committee had sent a check to Betsy Willis for $100.00

Virginia Skinner reported that our AFC Bible Bowl team won in the Central District Youth Fellowship contest and will compete in the state contest. Karla Allen and Wendy Jones are the new sponsors for the AFC's.

Amy Hines, sponsor of the Cherub Auxiliary, announced that there would be a Central District Youth Fellowship Field Day at Farmville Central High School on Saturday.

Leah announced that the next meeting of the Second Union would be at Pleasant Hill Free Will Baptist Church on June 30.

A slate of officers and committees were presented from the Board of Deacons. There were no nominations from the floor. The following were elected by motion:

Old Business

Clara Dell Hines moved that we remove the motion concerning termite control from the table. The motion was seconded and passed. Louise had announced that the company had noted that they would not be responsible for any structural damage that would occur because the termites had already made damage before they did their treatment.

Clara Dell moved that we purchase the contract for termite control from J. E. Everett for $150--beginning Octboer 5, 1991--annually. The motion was seconded and passed.

The pastor noted that the church owns the printer for the computer in the office and that he owns the computer. He offered to purchase the printer for $300 or to sell the church the computer for $2,000.

Stuart Forlines moved that we sell him the printer for $300. The motion was seconded and passed.

New Business

Dick Wilson made an offer from the Nobles Men's Sunday School Class to take as a project the tiling of the ditch on Cooper Street.

Stuart moved that we accept their offer; the motion was seconded and passed.

Karen Ribeiro moved that the church support the men's and women's softball teams in the amount of $600 to cover fees and balls. The motion was seconded and passed.

Leah brought up the need for a dining hall at Mount Olive College and asked what the church could do in making a pledge to support the building of a new dining hall. Lena Churchill moved that we give $500 a year for five years to the project. The motion was seconded and passed.

Karl W. McLawhorn requested that the church consider purchasing a van. A general discussion followed in which it was noted that a 15-passenger van was what should probably be purchased; and when it was asked who would drive it, Karla volunteered that she would be willing to be a driver.

Bill Churchill moved that the Board of Trustees investigate the costs of various types of vans and the cost of insurance and report at the next meeting. The motion was seconded and passed.

Pittman Hines asked about which treasury would receive the money for the van. The answer was the church treasury.

Louise requested that the Improvement Committee be authorized to purchase four outdoor footmats at approximately $90 each and a 6'X30" table for the fellowship hall.

Seth Cayton moved that we do so; the motion was seconded and passed.

Jack Weathersby noted that the light in the back parking lot has to be turned on and off inside the fellowship hall and recommended that a timer be put on it.

Jimmy Hines moved that the Improvement Committee investigate the best option of a timer to put on the light in the parking lot. The motion was seconded and passed.

The clerk asked if they were to report back at the next meeting. Jimmy moved that once they find the best option to go ahead and have the project done. The motion was seconded and passed.

The meeting was adjourned at 8:55 p.m. Bill prayed the benediction.

The Reverend Douglas Skinner, Moderator
Leah McGlohon, Clerk

May 19, 1991

At the close of the evening service on May 19, 1991, a called meeting was held with E. C. Hines, chairman of the Board of Deacons, presiding.

Pittman Hines prayed the benediction.

Mamie Ruth Cayton, Treasurer

Judy Williams, chairman of the Pulpit Committee, reported that the committee is still searching for a pastor. One thing that she is concerned about is that our churches do not pay enough salary for our ministers. The committee will be on the road for the next three Sundays. She asked that we continue to pray for the committee and a new pastor.

Louise Hines, reporting for the Improvement Committee, noted the following things done: purchased microphones and mats, replaced shrubbery burned in the fire, purchased wind screens for microphones and chairs for the nursery. She also noted that preparatory work for painting the outside --scrapping--has been started.

Leah reported that our AFC Bible Bowl Team won first place in the state competition in May.

Stuart, reporting for the Board of Deacons, announced that Louise Hines had resigned as of July 1 and that Alton Ray Hines was recommended to fulfill her unexpired term. Alton was elected by motion to fulfill her unexpired term.

There was discussion about needing a statement from minutes to transfer the checking account at the bank. Bill moved that we request Louise to continue as treasurer for the rest of this quarter and that the committee select a replacemnt for her as treasurer to be voted on by the church at the next business meeting. The motion was seconded and passed.

Old Business

Karl W. McLawhorn reported that he had checked with James Ernest Langston at the Winterville Insurance Co. about insurance for a van. James noted that his church had a van and that the insurance was over $700 a year and that we would need special guidelines for the use of the van. A driver for a 15-passenger van would require no special driver's license. Wayne Willams noted that he had priced some vans and that the cost ranges from $20,000 to $27,000. One business has a demonstration model that would sell for $15,000. Discussion followed.

Judy moved that the church set up a designated fund for purchasing a

van. The motion was seconded and passed.

Continuting a report of the Improvement Committee, Doris Weathersby reported that she had checked on a timer for the lighting of the outside of the fellowship hall. There are three ways we could go: (1) a three-way switch ($830), which would have to be turned on inside the church, with a delay switch ($120) for a total cost of $950; (2) a photocell light, which would burn from dust to dawn; or (3) a motion light on the entrance to back door so that when you walk up to the door the light would come on. The committee recommended the three-way light with a delay switch.

Alton noted that the light that we already have in the back could be switched to come on automatically from dust to dawn. The reason that we have not been using it is that children play on the parking areas.

Claudie McLawhorn moved that we flip the switch on the light that we already have so that it will burn from dust to dawn. The motion was seconded and passed.

New Business

Merry Smith of the Improvement Committee noted that we have two broken storm windows in the fellowship hall. It will cost $96.58 to replace them. Bill moved that we replace the windows at $96.58. The motion was seconded and passed.

Pittman Hines moved that we give the Improvement Committee the right to spend up to $500 in such situations. The motion was seconded and carried.

Doris noted that the carpet needs to be cleaned. To clean the carpet in the hallway and all the Sunday School rooms will cost $175.00. Add to that the front entrance and the three aisles and across the front in the sanctuary could be cleaned for $290.00.

Judy made a motion that we have all of the carpet cleaned, which was seconded and passed.

Stuart reported that the Deacons recommend that we allow Michelle Waters to use the church for her marriage on September 7. A motion was was made to allow her to do so, which was seconded and passed.

He also noted that we need to increase the amount that we pay to our supply ministers and recommended an increase to $75.00 for a morning service and $50.00 for a night service. Judy moved that we increase the amount as recommended. The motion was seconded and carried.

Bill moved that we continue our $500 annual pledge to Mount Olive College for College Hall. The motion was seconded and passed.

The following volunteered to serve as delegates:

To the Second Union for the next six months--Leah McGlohon, Erwin Hines, and Linda Hines. (Note: The Second Union Sunday School Convention will meet at Rose Hill Church on September 30.)

To the Convention of Original Free Will Baptists--Leah McGlohon, Pittman Hines, and Louise Hines.

Gladys Corbett made a motion that the Willing Workers Sunday School Class serve as the Homecoming Committee, which was seconded and passed.

By proper motion, Jo Ann Pennington, was elected to serve as the chairman for the Mount Olive College Benefit Dinner again this year if she will accept.

Karl noted that the Christian Fellowship Class, in conjunction with the Genesis Class, will sponsor a harvest sale on the first Saturday in October again this year. The proceeds may not go to the building fund this year, but it will be for something for the church.

Wayne Williams reported that Wilbur and Mamie Ruth Cayton have furnished their van for the travel of the Pulpit Committee and thought we should pay them something for gas, but they refused any reimbursement.

Leah moved that we express our appreciation to them for the use of their van by a rising vote of thanks. Everyone stood.

Lena Churchill moved that we also give a rising vote of thanks to Louise for all the work that she has done on the Improvement Committee through the years. The motion passed with a rising vote.

The meeting was adjourned at 9:06 p.m. Erwin Hines prayed the benediction.

The Pulpit Committee recommended the Reverend David Langley to be our new pastor. Bruce Gray moved that we vote on David Langley; the motion was seconded. Bill Churchill asked about pay. Judy Williams read the following request:

MINUTES OF CALLED MEETING
September 8, 1991

At the close of the evening worship service on Sunday, September 8, 1991, a called business meeting was held with Stuart Forlines, chairman of the Board of Deacons presiding. Stuart led the opening prayer.

Merry Smith of the Improvement Committee presented some proposals for improvements to the parsonage:

1. To repaint the inside of the parsonage with the exception of the master bedroom. Two estimates had been received--(a) Fred Wadsworth will do it for $840.00 or for $775.00 and the old carpet that will be taken up, or (b) Steve Holloway will do it for $800.00. These prices do not include the paint.
2. To recarpet all except the master bedroom. Waters Carpet Center will install 115 yards for $1,957.32.

In the discussion it was pointed out that the new pastor has a dog.

Arlyn Branch moved that we make the improvements of painting and carpeting without any stipulations about the dog. The motion was seconded and passed.

Bruce Gray made a motion that we let the committee choose the painter, which was seconded and passed.

Moving the new pastor, the Reverend David Langley, and his family was also bought up. It was suggested that we rent a U-Haul. Bruce moved that we offer the use of a U-Haul to Mr. Langley for moving. The motion as seconded and passed.

It was also noted that he would like permission to build a fence in the back yard for his dog. Erwin Hines moved that we give him permission to put up a fence. The motion was seconded and passed.

Jimmy Hines prayed the benediction.

Leah McGlohon gave an oral report of the membership meeting of the Free Will Baptist Press Foundation, Inc., on September 3, 1991.

Old Business

Karl W. McLawhorn reported that they are waiting to get enough money for the van.

Merry Smith, reporting for the Improvement Committee, said that she had some new locks for the doors and that she would give them to those who had keys made at Ange's that didn't work. She also reported that the painting and carpeting at the parsonage had been completed. Fred Wadsworth sanded all the walls and painted two coats of paint on the walls (at a reduced rate from that reported) for $700.00. The carpet in the master bedroom was taken up by mistake and all the floors carpeted. Since the mistake was theirs, Waters Carpet Center charged only the original cost of $1,957.32. The broken storm windows were replaced.

She also announced that the committee had elected Alton Hines as the new treasurer of the Building Fund. The committee recommended that we give Louise Hines a standing vote of appreciation for all that she has done on the committee and for serving as treasurer for so many years. The members stood in appreciation.

Bruce Gray moved that we adopt the report of the committee making Alton Hines the new treasurer of the Building Fund. The motion was seconded and passed.

New Business

Karl noted that James Langston of the Winterville Insurance Agency had approached him about the insurance on the church and parsonage. The new coverage would be $825,000 on the building, $82,500 for the contents, and $1,000,000 for liability for the church and $85,000 for building and $3,000 for contents on the parsonage. The new premiums would make a total of $2,262.00, which is about $30.00 more than last year with more coverage and liability.

Alton moved that we accept the new policy. The motion was seconded and passed. Since Bruce questioned the amount of the contents of the church--that it should be more-- it was suggested that we might need to look into the amount in the future.

Karl also reported that the Reverend David Langley had to get permission to put a fence up at the parsonage since he was not the owner of the property. Karl checked with Bruce of the Board of Trustees and they okayed his permission to build the fence.

Stuart, reporting for the Board of Deacons, announced that Amy Hines wished to have permission for a Brownie Tropp to use the church every other

Saturday from 9-11 a.m. At times the fellowship hall is needed, they would use another room in the church. By proper motion, permission was granted.

He also announced that Karl McLawhorn has requested to resign from the active Board of Deacons to be placed on the inactive list and that E. C. Hines has agreed to fill his unexpired term (1994). Bill moved that Karl's request to go on the inactive list and for E. C. Hines to replace him be granted. The motion was seconded and carried.

Stuart also reported that Darlene Edens has requested that a friend be allowed to use the church for a wedding in March or April. Discussion followed. Bill moved that we adhere to the policy of the church, which motion was seconded and passed.

Leah McGlohon and Barbara Hines volunteered to serve as delegates to the Central Conference on November 7.

Don Ribeiro moved that we recommend Leslie Gray for a Free Will Baptist Tuition Grant at Mount Olive College as she enters next year. The motion was seconded and carried.

Gladys Corbett announced for the church's record that Marty Corbett donated the cabinet for the sound system.

Clara Dell Hines asked about the light on the church sign, that it had not been burning. The answer was that children playing on the grounds had broken the bulb.

Verna McLawhorn, reporting for the Homecoming Commitee from the Willing Workers Class, noted that she had a tentative order for 25 pounds of barbecue, for slaw, and for corn sticks from Parker's Barbecue Restaurant for $141.83 for Homecoming. Alton Ray moved that the church pay for it, and the motion was seconded and passed.

Louise Hines added that a goal of $12,000 has been set for the building fund and that earmarked funds would not go to the building fund.

Don moved that the church purchase a van when we get enough money in the fan fund. The motion was seconded and passed. The committee for the van is Don, Karl, Wayne Williams, and Jimmy Hines. They will bring a recommendation to the church.

Pittman Hines recommended that the Board of Deacons draw up some guidelines for the van. The motion was seconded and passed.

Seth Cayton announced that a total of $8,263.74 was made at the harvest sale for the van. The YFA's gave all but $175.00 (which they kept for their ski trip) of their slave sale to do jobs for eight hours for their buyers to this total amount.

Wilbur Cayton announced that next Friday night about this time they would be loading the new pastor's household goods to move and that they would be arriving at the parsonage about noontime if anyone could help unload.

He also announced that the Pulpit Committe had engaged the Reverend Lorenza Stox as the evangelist for spring revival services.

Jack Weathersby announced that the Lord has called him to preach the gospel and requested a letter from the church for him to be licensed. Seth moved that the church grant the letter for his licensing. The motion was seconded and passed.

Dick Wilson, president of the Nobles Men's Class, announced that the men would like to put up a storage building like the one at the parsonage on the northeast corner of the church groounds. It would be brick to look like the church.

Bruce moved that we give them permission do so, and the motion was seconded and passed.

Bruce moved that we give the class a rising vote of thanks for tiling the ditch on Cooper Street. The motion was passed with a rising vote of thanks.

The meeting was adjourned at 8:53 p.m. Bill prayed the benediction.

Stuart Forlines, chairman of the Board of Deacons, presented two recommendations: (1) That we invite the musical group, Moving Up, to give a musical program on March 29, and (2) That we give a rising vote of thanks to the Pulpit Committee on the excellent job that they did in securing a new pastor.

By proper motion a rising vote of thanks was given to the Pulpit Committee. Clara Dell Hines moved that we invite the musical group, Moving Up, to come for a program on March 29. The motion was seconded and passed.

Merry Smith, chairman of the Improvement Committee, noted that she did not have a report since everything had been completed.

Leah McGlohon gave an oral report of the Central Conference, which met at Reedy Branch Church on November 7, 1991. The pastor added some comments.

Erwin Hines gave an oral report of the Second Union, which met at Rose of Sharon Church on December 29, 1991.

Jack Weathersby noted that the Layman's League has been having some good meetings and invited other men to join them.

Old Business

Since the pastor was not here at the last business meeting and he has to sign the letter, he recommended that we recommend Jack Weathersby to the Central Conference Board of Ordination for ministerial licenses. Clara Dell moved that a letter be sent; the motion was seconded and passed.

Responding to the question at the last meeting concerning the insurance coverage on the church contents, Bill Churchill reported that he had learned from his insurance agent that pews are not considered as contents but as a part of the structure. Therefore, he feels that we are adequately covered.

New Business

The pastor reported that Taff Office Equipment Co. no longer services Cannon copiers, but gets other people to do the servicing. He investigated other businesses for a service contract. Office Machines Service and Sales of Rocky Mount, which now has a business in Greenville, will give an annual service contract for $420. This would include four scheduled services per year plus parts, including the drum.

Stuart moved that we accept the contract, which motion was seconded and passed.

Arlyn Branch announced that Amy Hines and Cindi Brown, who could not come tonight, were interested in the Genesis Class sponsoring a new church directory publication in the spring. Bruce moved that we grant permission. The motion was seconded and carried.

Since the Leagues were unable to resume this year, Leah noted that Cragmont would come up short of what the Leagues had been contributing to the debt retirement. She recommended that the church assume an annual gift of $250 for this purpose. By proper motion the gift was passed.

E. C. Hines announced that the Layman's League would like to build a trophy case to house all the trophies in the church. Judy Williams moved that we grant permission, and the motion was seconded and passed. Bruce asked where the trophy would be put. E. C. responded that they would work with the Improvement Committee as to the place it would be put.

Leah reported that she had had a phone call from Deanna Braxton

concerning a community chorus to perform the Christmas portion of The Messiah at Christmas. The choirs would work on the music throughout the year and then get together for several practices. Deanna suggested that we use our church because it was the largest for the fall practices and then the performance. Leah asked what the church thought about the use of the church.

Judy Williams moved that we give permission for the use of the church, and the motion was seconded and carried.

Alton Hines suggested that we look into the cost of hiring a youth minister. It was decided that the Pulpit Committee do a feasibility study.

Wayne Williams reported that he has done some research into the cost of a van. He noted that one church had bought a 15-passenger demonstrator with 11,000 miles on it for $16,600.

The meeting adjourned at 8:36 p.m. The Reverend Harold Jones prayed the benediction.

Old Business

Wilbur Cayton, chairman of the Pulpit Committee, announced that the Reverend Charles Branch has been engaged as evangelist for fall revival services on October 4-7.

Judy Williams of the Pulpit Committee reported that the committee and Donald Ribeiro had looked into qualifications for a youth minister. She named some of the qualifications and stated that in the beginning the position would be part time--10 to 15 hours a week. A general discussion followed.

Bruce Gray moved that the Pulpit Committee develop a written plan of qualifications and job description for a youth minister to be brought to the church in a called business meeting and if it is approved, the committee may immediately begin the search to bring a candidate to the church for a vote. The motion was seconded and passed.

New Business

Alton Hines of the Improvement Committee announced that Amos Harris has resigned from cleaning services for the church as of the end of May. Ralph Dalton, who was the second lowest bidder at $200 a month, has agreed to replace him. He moved that we hire Ralph. The motion was seconded and passed.

Stuart Forlines, chairman of the Board of Deacons, presented a slate of officers and committees for the new church year. It was noted that the Sunday School superintendent had been omitted. Donald Ribeiro moved that we accept the slate as given with the Sunday School superintendent to be elected at a called business meeting. The motion was seconded and passed.

The following were elected:

Clerk - Leah McGlohon
Treasurer - Bill Churchill
Assistant Treasurer - Stuart Forlines
Board of Deacons - Keith Knox, 1999 (Bruce Gray, 1993; E. C. Hines, 1994; Jack Weathersby, 1995; Erwin Hines, 1996; Bill Churchill, 1997; Donald Ribeiro, 1998)
Improvement Committee - Alton Hines, 1997 (Claudie McLawhorn, 1993; Doris Weathersby, 1994; Merry Smith, 1995; Wayne Williams, 1996)
Pulpit Committee - Erwin Hines, 1995 (Linda McLawhorn, 1993; Judy Williams, 1994)
Benevolent Committee - Vickie Dalton, 1995 (Lena Churchill, 1993; DeLois Wingate, 1994)
Chairman of Ushers - R. H. Wade
Assistant Chairman of Ushers - E. T. Carawan
Organist - Gladys Corbett
Assistant - Judy Williams
Pianist - Debby Gray
Assistant Pianist - JoAnn Pennington
Publicity Chairmen - Gladys Corbett, Sandra Jones, Angie Davis
Representative of F. W. B. Press Memberships - Leah McGlohon
Adult Choir Director - Leah McGlohon
Children's Church Choir Directors - Sandy Downs and Betty Harris
Youth Choir Director - JoAnn Pennington
Flower Chairman - Juanita Tripp
Children's Church Director - Keith Knox
Nursery Chairman - Karen Ribeiro

Jack Weathersby commended the new song leader, Joseph Dail, for a job well done. He asked about electing him to the job. The pastor answered that it wasn't necessary at the present time.

Bill announced that a portrait of the Reverend Ed Taylor, a former pastor, is available for the church to be placed either in the parlor or in the pastor's study. Louise Hines moved that we accept the gift, and the motion was seconded and passed.

Stuart asked if the Improvement Committee is looking into putting heat in the restrooms. The answer was no.

Erwin Hines, Leah McGlohon, and Linda Hines volunteered to serve as delegates to the Second Union to meet at Sweet Gum Grove Church on May 31.

The clerk read a portion of a letter from the Executive Committee of the North Carolin Ministerial Association of Original Free Will Baptists suggesting that we sponsor our pastor's stay at Cragmont each year at $200 for the Minister's Conference at Cragmont in June. Since we already have $150 budgeted for this if the pastor attends, Bruce moved that we increase the amount to $200. The motion was seconded and passed.

Donald moved that the church support the men and women's softball teams again this year at about $600 (the amount is not known yet). The motion was seconded and carried.

Stuart asked about the shorter revival period. Bruce moved that we give the Pulpit Committee the flexibility in negotiating length of time for revival services, which motion was seconded and passed.

The pastor asked about designating his compensation differently for income tax purposes, which was suggested by his tax preparer. The designations would be a total of $410.00 monthly for a vehicle allowance and $333.23 a month for health insurance ($172.94 that he was paying and $160.29 that the church was paying.) His salary designation would be adjusted to take these into account. Bruce moved that we make the financial adjustments as requested, which motion was seconded and carried.

The pastor also noted that because of alergies he could not cut the grass at the parsonage. Wilbur volunteered to cut it.

A committee for Senior Sunday on May 31 was brought up. Gladys Corbett moved that Clara Dell Hines and Arlyn Branch serve as the committee again this year. The motion was seconded and passed.

Bill reported that several weeks ago when the Reverend Bobby Futrelle visited the church that he expressed that he wanted the church to know that he and his family appreciated the monthly gift that we give him very much. (He has an illness that causes him not to be able to work.)

The meeting adjourned at 8:47 p.m. Joseph Dail prayed the benediction.

The Reverend David M. Langley, Moderator

Leah McGlohon, Clerk

MINUTES OF CALLED MEETING
May 10, 1992

At the close of the evening worship service on Sunday, May 10, 1992, a called business meeting was held with the pastor presiding. He opened the meeting with prayer.

Three items were presented by the Board of Deacons for consideration:

1. The Christian Fellowship Sunday School Class would like to buy a transmitter with four receivers for the hearing impaired to use in the sanctuary. Seth Cayton moved that we give them permission, and the motion was seconded and passed.

2. They presented the name of Joseph Dail to be elected as the Sunday School superintendent. Stuart Forlines moved that he be elected, and the motion was seconded and passed.

3. The Pulpit Committee recommendations for the youth minister were presented. Alton Hines moved that we accept the qualifications, and the motion was seconded. Some questions concerning exactly what the person would do and if he would do the Children's Church since it was felt they needed a constant person were asked. Don Ribeiro answered that it was not assumed that he would take over a group such as the Children's Church--that could be negotiable. The motion carried.

Someone asked about a range of salary. Don thought that $100- $125 a week for a parttime job of 10 to 15 hours per week. Bruce Gray moved that we have a ceiling of $125 at this time. The motion was seconded and carried.

Amy Hines asked about transportation for older people who do not have transportation for the church weekend trip to Cragmont August 14-16. She had an estimate of $23 a person plus gas for a 15-passenger van. No action was taken.

The meeting adjourned and Seth Cayton prayed the benediction.

MINUTES OF CALLED MEETING
June 7, 1992

At the close of the evening worship service on Sunday, June 7, 1992, a called business meeting was held with the pastor presiding. He opened the meeting with prayer.

Stuart Forlines, chairman of the Board of Deacons, presented a policy on the use of the church van when one is purchased. Jimmy Hines moved that we accept the guidelines. The motion was seconded and passed (See Policy.)

Wayne Williams of the Van Committee gave a report of two vans that are available: (1) a 1991 15-passenger Ford van with 20,000 miles that came from Hertz Rent-A-Car and (2) a Dodge van for $15,600 plus tax with a 5-year warranty or 50,000 miles. The second one cost more, but there seemed to be less mileage and more warranty. He reported that Don Ribeiro would like for the church, which has $13,800 in the van fund now, lend enough to go ahead and purchase a van . Wayne suggested that a cap of $17,000 be put on the purchase.

Bruce Gray moved that the church approve the Van Committee to go ahead and purchase a van with the church lending money with a cap of $17,000 to be repaid from the van fund later. The motion was seconded and passed.

Bruce also moved that the present Van Committee composed of Wayne Williams, Jimmy Hines, Don Ribeiro, and Karla ~~Allen~~ McLawhorn be the Van Committee for 1992-93 and then set up a rotating committee. The motion was seconded and passed.

The meeting adjourned and Joseph Dail prayed the benediticon.

Bruce Gray, chairman of the Board of Deacons, reported that someone had requested that we invite the singing group, Covenant, for a service on a fourth or fifth Sunday night. The deacons recommended that we do so. Gladys Corbett moved that they be invited. The motion was seconded and passed.

Judy Williams of the Pulpit Committee reported that an advertisement for a youth minister had been placed in The Free Will Baptist and that a letter had been sent to Mount Olive College.

Erwin Hines gave an oral report of the Second Union which met at Sweet Gum Grove Church on May 31. The Second Union Sunday School Convention will meet at the First Free Will Baptist Church in Tarboro on August 30.

Gladys asked about the mailing permit for newsletters. Bill Churchill and the pastor are working on it.

Amy Hines requested that anyone who wanted to ride on the van to the family weekend at Cragmont to let her know.

New Business

Donald Ribeiro announced that a van had been purchased. The log book will rotate between the four members of the Committee. Anyone desiring to use the van for a church group should call the person who has the log book. The van is now at Wayne Williams'. The calendar in the hall is to let you know who has it. Do not write on the calendar.

Bruce noted that when the trustees went to sign the papers on the van, there were two options. They took a three-year bumper-to-bumper option that covered everything. We can get an extended warranty for $690 for 7 years or 70,000 miles. They recommended that the church get the extended warranty. Seth Cayton moved that we get the extended warranty. The motion was seconded and passed.

Joseph Dail reported that Ralph Dalton had requested that he get an estimate for cleaning the carpet inside and the outside mats from the

company for which he works. He had an estimate of $425. The matter was referred to the Improvement Committee.

Judy asked about trimming the everygreen shrubs outside. Jack Weathersby asked about the junipers around the church sign that cuts off the view of the sign. Lena Churchill will look into the matter of trimming.

William Nobles said that he would like for the pines in the back to be trimmed.

The following volunteered to serve as delegates to the State Convention: Leah McGlohon, Verna McLawhorn, and Mary Marcia Langley.

The following volunteered to serve as delegates to the Second Union for the next six months: Erwin Hines, Leah McGlohon, and Linda Hines.

Jack announced that he stopped by to see the Rev. and Mrs. Ed Taylor this week and that they plan to come and visit one Sunday this month--third Sunday, he thought.

Sandra Jones invited everyone to the fellowship hall after the meeting for refreshments. (Note: It was a surprise for the pastor's birthday.)

Judy and Amy volunteered to serve on the Homecoming Committee.

JoAnn Pennington brought up the fact that a chairman of the Mount Olive College Benefit Dinner was needed. Donald volunteered to serve as chairman.

The meeting adjourned at 8:38 p.m. Erwin Hines praye3d the benediction.

Jack Weathersby gave a report of the Layman's League in which he pointed out that more men are needed to become members. They have a supper meeting on the first Friday of every month, attend the meetings of the Central Conference Layman's League, have hosted a singspiration during the year, have supported the Greenville Community Shelter, and sponsored a project to build a trophy case for the church.

Alton Hines of the Improvement Committee reported that the carpet in the church was cleaned yesterday and that the outside of the church has been cleaned but that the steeple has not yet been cleaned. In another month we may get some heat in the restrooms. He recommended that Sunday's Homecoming offering be used for the garage fund. Bruce Gray moved that the offering be used for the garage fund. The motion was seconded and carried.

It was noted that money from the harvest sale would be used to repay the church treasury for the van and the remainder was to be added to the garage fund.

Lena Churchill, chairman of the Benevolence Committee, reported that on September 10 $250.00 was given to Mrs. Annie Jones, Bobby Pennington's grandmother, whose home in Florida was destroyed by Hurricane Andrew.

The pastor gave an oral report of the Convention of Original Free Will Baptists which met September 16-17 at College Hall at Mount Olive College.

Gladys Corbett, publicity chairman, announced that articles concerning the singing group, Covenant, and Homecoming had been put in the paper and that a paid advertisement about the revival was put in The Daily Reflector. Since we now have a mailing permit, she will work on getting a newsletter out.

Bruce Gray, chairman of the Board of Deacons, presented three recommendations from the deacons as follows:

1. That we formerly vote Aimee Weathersby as co-director of the Children's Church Choir.
2. That the church support the men's basketball team to a maximum of $500.00.
3. That we increase the pastor's salary by an annual amount of $1,500.00 to be designated as is most economically feasible to him.

By proper motion the first recommendation was adopted. Bruce Gray moved that the second recommendation be adopted, which motion was seconded and passed.

Bruce presided over the third recommendation while the pastor left the sanctuary. Wayne Williams moved that the recommendation be adopted; the motion was seconded and carried.

Jack moved that we add the song leader on the next list of officers elected and that Joseph Dail's name be added in the church bulletin. The motion was seconded and passed.

Gladys asked if the church was going to get barbecue for Homecoming. Judy Williams answered yes.

Leah McGlohon, Mary Marcia Langley, and Joseph Dail will serve as delegates to the Central Conference, which will meet on November 5 at the First Free Will Baptist Church in Greenville.

Judy Williams, chairman of the Homecoming Committee, added that in addition to the barbecue, plates, forks, cups, etc., would also be furnished.

The pastor announced that since the lightning affected the sound system that we would like to get a serge protector to be put on the equipment upstairs. We are waiting for sound boards for the upstairs equipment and for the organ.

Keith Knox moved that we purchase a serge protector. The motion was seconded and passed.

Leah reported that she received a letter from the Retirement Homes Board before the Convention requesting that churches receive a special offering for Retirement Homes to help pay the $20,000.00 payment to the Church Finance Association, which they were unable to pay because of shortage of funds in the last church year and that each church increase their giving. She recommended that we increase our giving by $1,000.00 a year, which would be a total of $1,600.00.

Bruce moved that we do so by giving $400.00 per quarter. The motion was seconded and passed.

Leah also read a letter from the Reverend C. H. Overman, Executive Administrator for the Convention, concerning giving for hurricane relief. The gifts should be taken to the Central Conference to be picked up. She will try to put a copy of suggested gifts in the church bulletin.

Bill Churchill asked about the expense from lightning damage that insurance would not cover. It was agreed that it would be paid from the building fund.

The meeting adjourned at 8:29 p.m. Bill prayed the benediction.

MINUTES OF CALLED BUSINESS MEETING

At the close of the evening worship service on Sunday, October 25, 1992, Judy Williams, chairman of the Pulpit Committee, recommended that we hire Michael Skinner as youth minister.

Donald Ribeiro moved that we accept Michael Skinner as our youth minister on a trial basis for ninety days at $125 per week to begin immediately. The motion was seconded and passed.

Bruce Gray, chairman of the Board of Deacons, reported that things are going well and asked the church to pray for them as they work on the slate of nominations for officers to present at the next meeting.

Jack Weathersby gave a report of the Layman's League which included the fact that they have 31 members, an average attendance of 14 members, and 5 new members. Some of them attended the State Layman's League Convention and the Central Layman's League meeting this quarter. They trimmed the yard for Homecoming, contributed some materials for the trophy case, and did some other things.

Keith Knox reported that there has been an average of 12-15 children in Children's Church. He also gave a report on the work of the new youth minister, Mike Skinner. Mike has held meetings with the youth council, has counseled with some of the youth, has led Children's Church on several occasions, and has been very helpful in all the various youth activities. Keith announced that they are hoping to start a Christian video library to be housed in the pastor's study. He also noted that some young people who play the piano are needed to play for Children's Church. He further noted that Mike will be leading the group on first and third Sundays.

Mike Skinner expressed his appreciation for those who have helped out in his transition period. He announced that he has prepared a calendar of youth activities for the next three months and adopted a theme for this year: "Be the One," to share Christ with those around them. The youth will go on a skiing trip the weekend of January 16-19.

Alton Hines, chairman of the Improvement Committee, reported that he made some changes to improve the heat in some of the classrooms and that he had been requested to get an emergency light to put in the balcony in case the current goes off. He has estimates of $300 to $350 for such a light.

Keith moved that we have the light installed. The motion was seconded and passed.

Judy Williams, chairman of the Pulpit Committee, announced that the spring revival services have not been finalized yet, but would be either the week before Easter or the week after.

Erwin Hines gave an oral report of the Second Union which met at the first Free Will Baptist Church at Williamston on November 29, 1992. He also announced that the Second Union Sunday School Convention will meet at our church on January 31, 1993.

Gladys Corbett reported that one newsletter has been sent out and that Angie Davis helped with it. The next one will be mailed before February 14.

Wayne Williams gave an update on the van. About 4,000 miles have been registered since it was purchased.

The pastor noted that we needed to renew Jack Weathersby's license to preach. Judy moved that we renew, and the motion was seconded and passed.

Jack expressed his appreciation for the opportunity to preach here while the pastor was on vacation and noted that he would use the gift for tuition for the next course that he takes.

Joseph Dail, Amy Hines, and Mary Marcia Langley volunteered to serve as delegates to the Second Union for the next six months.

The clerk reported that she was out of envelopes and asked if anyone else who got some of the stationery that was printed sometime ago had some or did we need to have some more printed. Louise Hines said that she thought she had some and would check.

The meeting adjourned at 8:24 p.m. Erwin Hines prayed the benediction.

The Reverend David Langley, Moderator
Leah McGlohon, Clerk

MINUTES OF CALLED BUSINESS MEETING
January 24, 1993

At the close of the evening worship service on Sunday, January 24, 1993, the pastor presented the fact that it was time to vote on whether to elect Michael Skinner for further service as youth minister.

Bruce Gray moved that we vote by secret ballot, and the motion was seconded and passed.

Stuart Forlines moved that we vote to extend his service for a year. The motion was seconded and the secret ballot was taken. The motion was approved with 59 votes for, 16 against, and one abstention.

The Reverend David Langley, Moderator
Leah McGlohon, Clerk

MINUTES OF CALLED BUSINESS MEETING
March 14, 1993

At the close of the evening worship service on Sunday, March 14, 1993, the pastor called the meeting to order and called on Bill Churchill to present the item of business.

Bill read a letter he had received concerning workman's compensation. He noted that since the church has three employees, we fall into the category to carry workman's compensation insurance. To cover our three employees, the cost would be $357 per year for all three plus an additional cost of $500 to $600 to cover any others hired temporarily, such as the work on building the garage.

Alton Hines moved that we purchase this workman's compensation coverage for the three employees and others that may come to work for the church who are not covered. The motion was seconded and passed.

The meeting was adjourned, and a benediction was prayed.

The Reverend David Langley, Moderator
Leah McGlohon, Clerk

The pastor reported that Leslie Gray needed to have a statement from

the church to renew her Free Will Baptist Scholarship at Mount Olive College for the next school year. Also to get the scholarship she will work in Vacation Bible School this year and would like to redo the pamplet about our church. He will work with her on this. We need a vote to sponsor her in this endeavor.

Keth Knox moved that we sponsor Leslie in the endeavor. The motion was seconded and passed.

Bruce Gray, chairman of the Board of Deacons, presented a slate of nominations for officers and committees for the new church year with the exception of a deacon and a nursery chairman. Bruce presented nominations for replacements in the Board of Trustees as follows:

Bill Churchill (effective immediately to replace Karl McLawhorn who resigned)
William Nobles (effective July 1, 1993, to serve in Guy Corbett's position)

Seth Cayton moved that the two be elected, and the motion was seconded and passed.

Bruce noted that a deacon would need to be elected at a called business meeting. He also reported some changes in the treasurers responsibilities. Stuart Forlines, the assistant, will be responsible for collecting, depositing, and giving the deposit slips to Bill. He will also keep a record for members who need a report for taxes.

Alton Hines, chairman of the Improvement Committee, gave the following report:

1. He reported that a few aluminum sidings had been blown off the parsonage and parsonage garage during the wind storm. They will be replaced when the siding is put on the church garage.
2. He reported that the four hearing receivers that were used in the sanctuary have disappeared and asked if anyone knew what happened to them. No one did. Then he asked if we would like to have some more purchased at close to $100 each.
   Stuart Forlines moved that we purchase four more. The motion was seconded and carried.
3. He reported that the air-conditioning units outside had been written on with Satanic symbols. To replace the whole thing with a guard would cost $7,550.00. He thought insurance would cover most of it.
   Bruce moved that we put in a new one, and the motion was seconded and passed.
4. He asked if we needed to start working on a new addition because there is a need for more Sunday School classrooms.
   Keith moved that we proceed with plans, and the motion was seconded and passed.

Leah McGlohon, clerk, reported that the Free Will Baptist Children's Home would like to reopen Smith Cottage, but the renovation would cost about $70,000. A request has been made for churches and church auxiliaries to make a contribution above what they normally give, or to receive a special offering, by June 1 for the renovation. She made a suggestion.

Bruce moved that we give $500 plus a love offering on the fourth Sunday in May toward renovating the cottage. The motion was seconded and passed.

Bruce also moved that the church support the men's and women's softball teams again this summer with $550. The motion was seconded and passed.

Alton announced that we also lost most of the pine trees in the back during the recent storm.

Clara Dell Hines asked if the church would be willing to pay for the meats for dinners that are served for the families of deceased members. Bruce moved that we support the meals up to $50.00 per occurrence; and the motion was seconded and carried.

Gladys Corbett of the publicity committee reported that they did not receive any information for the newsletter for April; therefore, one was

not published.

The meeting adjourned at 8:58 p.m. Pittman Hines prayed the benediction.

Michael Skinner, youth minister, expressed his appreciation to all who have helped him and those who went on the trips with the youth.

Alton Hines, chairman of the Improvement Committee, reported that he had obtained a rough scale of a new addition with 8 rooms plus a children's church room and bathroom for $200,000. He wanted to know if we wanted to go with further plans. A discussion followed.

Michael expressed an opinion that we might could consolidate some of the smaller classes. Louise Hines replied that through the years the smaller classes fluctuate.

Keith Knox expressed the opinion that building is not going to get any cheaper. Other commments were made.

Stuart Forlines made a motion that we table the idea to a later date when we feel we can afford it. The motion was seconded and passed with 40 for and 19 opposed.

Bruce Gray moved that the Improvement Committee investigate arrangements that could be made with a design builder to prepare plans for the expansion. The motion was seconded and carried.

The pastor gave an oral report of the Second Union which met at the Ayden Church on Sunday, May 29.

Old Business

Debby Gray reported that Leslie Gray was unable to work in Bible

School for her Free Will Baptist Scholarship at Mount Olive College because she was in summer school there at the time. She will negotiate with the pastor to do another project.

New Business

Alton noted that the church needs painting again. He asked if we would like to put vinyl on instead of having to paint so often.

Judy Williams moved that the Improvement Committee look into the matter of siding to see what could be done to preserve the architectural features with siding by the next meeting. The motion was seconded and passed.

Keith asked what we thought about the Children's Church remaining in the sanctuary one Sunday a month to get them used to a regular service.

Bruce moved that we give the committee the discretion to set it up if they desired. The motion was seconded and passed.

The pastor reported that Michael Skinner had asked that we endorse him for a Free Will Baptist Scholarship at Mount Olive College as we did for Leslie. Donald Ribeiro moved that we do so, and the motion was seconded and passed.

The following volunteered to serve as delegates and committee members:

Delegates to the Second Union for the next six months: Mary Marcia Langley, Linda Hines, and Joseph Dail.
Delegates to the Convention of Free Will Baptists on September 15-16: Leah McGlohon, Pittman Hines, and Louise Hines.

Joseph Dail, Superintendent
Pittman Hines, Secretary-Treasurer

E. C. Hines, chairman of the Board of Deacons, read a letter from Jack Weathersby, a resignation as a member of the board because he has accepted the pastorate of Saint's Delight Church. He made a motion that we accept Jack's resignation. The motion was seconded and carried.

The pastor reported on the Layman's League. He announced that the Central Conference Layman's League will be meeting here on December 6. He also noted that they have been able to purchase some tables and hoped that they will be here for Homecoming on Sunday.

Alton Hines, chairman of the Improvement Committee, gave the following report:

1. Doris Weathersby has resigned from the committee.
2. Two estimates for covering the wooded outside areas with vinyl and aluminum siding: (a) $ 9,350.00 by Carolina Trust and Siding and (b) $15,960.00 by the company that put siding on the parsonage.

He noted that there is no way that vinyl can be put on the doors and storm windows. The committee recommends that we do this. He answered some questions about the damaged columns which are in need of repair. Louise Hines said that there is a company that makes fiberglass columns, but it was noted that they would be expensive.

Alton then moved that we have the siding put on. The motion was seconded. Jimmy Hines asked if the cost given would cover the repair. Alton answered that the repair would cost about $1,700.00 and would need to be repaired first. The motion passed.

Alton requested that everyone look at the samples of two designs for the siding put up outside and let him know what we like.

Judy Williams, chairman of the Pulpit Committee, reminded us of the revival services scheduled for October 25-28 and reported that the committee had acquired an evangelist for the spring revival services which she will report on at another time.

Bill Churchill noted that the Benevolent Committee approved a gift of $250.00 for Anthony Harmon.

The following volunteered to serve as delegates to the Central Conference which will meet in November at the LaGrange Free Will Baptist Church: Joseph Dail, Leah McGlohon, and Mary Marcia Langley.

Gladys Corbett of the Publicity Committee announced that two newsletters had been mailed since the last meeting and that an advertisement of our Homecoming had been taken to The Daily Reflector for tomorrow's paper.

Judy announced that plates, utensils, napkins, and barbecue would be furnished for Homecoming on Sunday; then she requested help by men in setting up tables after this meeting.

Bill asked that since we are having four different evangelists for the revival services how was he to pay. Someone also asked who the four are. Judy answered as follows: Craig Simmons on Monday, Ray Wells on Tuesday, David Hines on Wednesday, and Steve Cayton on Thursday.

Donald Ribeiro moved that we provide $75.00 for each minister for this revival. The motion was seconded and passed.

New Business

Donald read a letter of resignation from Michael Skinner as youth minister. Stuart Forlines moved that we accept the resignation, and the motion was seconded and passed.

Bill noted that there is no Wilson Church for the Deaf now and wanted to know if we wanted to change the wording since there is still a deaf ministry. Stuart moved that we change the wording to "deaf ministry." The motion was seconded and passed.

Joseph Dail requested that we support the men's basketball team with $350 and the women's team with $250. The three main areas where they will be playing are Chicod, Black Jack, and Temple Church. He made a motion that we support the teams, which was seconded and passed.

Someone asked how many were interested in playing. Joseph answered 9 or 10 women and 7 or 8 men that he knew of.

Bruce Gray asked if we need for the Pulpit Committee to seek a replacement for a youth minister? A number of comments were made.

Bruce moved that the Board of Deacons and the Youth Council look into the matter of whether to have a youth minister or not to have one and bring

it back to the church in a called business meeting. The motion was seconded and passed.

Keith Knox announced that we would have a guest speaker, Sgt. Brenda Elmore of the Raleigh police, on fifth Sunday, October 31, to share with us "A Walk Through the Old Testament." He asked if we shouldn't give her a gift or a love offering.

Bruce moved that we give her the supply minister price of $75.00. The motion was seconded and passed.

Sandra Jones moved that we give Jack Weathersby and Michael Skinner a rising vote of thanks for their services. The motion was seconded, and a rising vote and hand clap were given.

Jack announced revival services at Saint's Delight Church next week with the Reverend J. B. Narron as evangelist.

The meeting adjourned at 8:45 p.m. Erwin Hines prayed the benediction.

Leah McGlohon, Clerk

At the close of the evening worship service on Sunday, December 12, 1993, the pastor called the meeting to order and presented two items of business recommended by the deacons as follows:

1. To grant Jack Weathersby's request that we grant him a letter of recommendation to the Central Conference Ordaining Council for ordination to the ministry. Wayne Vincent moved that we grant it; Alton Hines seconded the motion, and the motion passed.

2. To elect Pat Cayton to replace Doris Weathersby, who had resigned, on the Improvement Committee. Bruce Gray moved that she be elected. The motion was seconded and passed.

The meeting was adjourned, and a benediction was prayed.

Pittman Hines, Secretary-Treasurer

There was no report from the Board of Deacons.

The pastor reported on the Layman's League meetings and encouraged laymen to attend.

Alton Hines, chairman of the Improvement Committee, reported that they had decided not to put the vinyl siding on outside woodwork until the spring. By that time there will be another color which may be better.

Gladys Corbett of the Publicity Committee reported that the newsletter had been mailed once since the last business meeting. She asked each class to write an article on what the class did during Christmas to put in the next newsletter.

The pastor reported that the Board of Deacons and the Youth Council are still looking into the matter of whether to have a youth minister or not to have one.

He also reported that the deacons had decided to wait until July to have an active seventh deacon.

New Business

Alton had a picture of the church that a man had told him could be made into an oil painting. He asked if anyone was interested in having an oil painting of the picture. If so, he/she should let him know because the man will come back.

The following volunteered to serve as delegates to the Second Union for the next six months: Erwin Hines, Linda Hines, and Mary Marcia Langley.

The pastor reported that several people had talked with him about the senior citizens in the church. There have been a number of activities for senior citizens in the past year and they wondered if the church could help with the funding. Bruce Gray said that he would rather see the Sunday School classes take it as a project. Some said that in some other senior citizens groups, offerings were received.

Bruce moved that we set up a Senior Fund like the Youth Fund. The motion was seconded and passed. The following volunteered to serve on the committee: Freda Hargett, Vickie Dalton, and Emily Herring.

Clara Dell Hines pointed out that the fellowship hall needs to be cleaned more often. Bruce asked if the Improvement Committee could look into getting someone to clean it. Alton said that he could clean it if some of the men could help him. He will get some men to help strip and wax the floor.

The meeting adjourned at 8:25 p.m. Donald Ribeiro prayed the benediction.

The Reverend David M. Langley, Moderator

Leah McGlohon, Clerk

MINUTES OF CALLED BUSINESS MEETING

February 6, 1994

At the close of the evening service, the pastor, the Reverend David Langley, called the business meeting to order and stated the purpose of the called session as the feasibility of purchasing a copyright license.

Judy Williams was called upon to explain the need of such a license. She empahsized a concern that the church is breaking copyright laws with the tape ministry, copying music on the copiers, typing the words for the youth groups, and rearranging choir music. The Christian Copyright Association interacts between companies with copyrights and the churches they license. They presently cover over 60,000 churches and the cost is based on the size of the church congregation. The cost for the Winterville Church would be $180 per year.

Keith Knox made a motion, seconded by Jimmy Hines, that the church purchase the license. A short discussion followed on the pros and cons. A vote was taken and the motion passed.

A motion was made by Bruce Gray that the meeting be adjourned, which was seconded by Wayne Vincent. Wayne Vincent dismissed the group with prayer.

Pittman Hines, Secretary-Treasurer

Reporting for the Layman's League, the pastor presented their suggestion of putting up another bulletin board in the hall on which to put pictures of new families. Jimmy Hines moved that we grant permission for them to do so, and the motion was seconded. Someone wanted to know what kind of board it would be. The answer was just like the other one. Bruce Gray asked on which wall it would be placed. It was decided to put it on the left wall as you enter the hall from the vestibule. The motion was carried.

Alton Hines, chairman of the Improvement Committee, reported that there was a new color--pearl--for the siding for the outside woodwork and that it would be put up soon.

Judy Williams of the Pulpit Committee announced that spring revival services would be held May 16-20 with the Reverend Mike Scott as the evangelist. The fall revival services will be held the third week in October with the Reverend Jerry Stevenson as the evangelist.

Gladys Corbett of the Publicity Committee reported that two newsletters had been mailed since the last business meeting and expressed her appreciation for all the information that classes and others had given.

Donald Ribeiro moved that the church support the men's and women's softball teams again this year with $350 each for fees and balls. The

motion was seconded and passed.

Judy asked about the Van Committee. Wayne Williams (1997), Jimmy Hines (1996), and Donald Ribeiro (1995) agreed to serve on the rotating committee again. Someone asked about putting the church name on the van. Keith Knox suggested putting the name on a front license plate. A discussion followed. It was suggested that the committee get some estimates of the cost of having the name painted on the van and bring them to the next meeting. In the meantime Keith volunteered to get a name license plate and to pay for it himself.

The next Saturday they will combine with Temple Free Will Baptist Church (National) for a youth revival.

The pastor reported that the Layman's League had purchased an icemaker and placed it in the kitchen. They are working on getting pictures of new members for the bulletin board. He also noted that a good group went to the Central Layman's League Convention at the First Free Will Baptist Church in Tarboro last month.

Alton Hines, Improvement Committee chairman, gave the following report:

1. That they will wait until spring to get the steeple painted and that most of the putting and painting of the outside windows had been completed with still a little more to be done.
2. That they are working to see what can be done toward painting the windows at the parsonage.

Erwin Hines of the Pulpit Committee announced that the spring revival services will be held on April 17-20 with the Reverend Melvin Moore as the evangelist.

The pastor reported that the Central Conference, which met at the First Free Will Baptist Church in Tarboro on November 10 was a good conference meeting and that almost a whole new slate of officers was elected.

Gladys Corbett of the Publicity Committee reported that they are getting out newletters every three months now although they are not published by the calendar quarter.

New Business

Amy Hines reported that the Central Youth Fellowship Bible Bowl competitions will be held at our church on March 18 and noted that help will be needed. She also reported that the talent competitions will be held at Rose High School in Greenville on February 25.

The pastor announced that Erica Dalton has a desire to be a physician and that she has been chosen by her school to go to a forum July 4-14 at Washington, D. C. He would like for the church to help her with her expense of $1,400.00. Alton suggested that we receive a love offering.

Bill Churchill moved that we designate a time for a love offering and that if it does not come up to $250.00 that we make it up from the church treasury. The motion was seconded and passed.

Clara Dell Hines asked if the cleaning of the fellowship hall couldbe done more often because it really needs it. Alton replied that the Improvement Committee would take care of it and report back.

The following volunteered to serve as delegates to the Second Union for the next six months: Leah McGlohon, Erwin Hines, and Linda Hines.

Bill brought up the fact that we are now set up to pay an evangelist the lump sum of $250.00. Since the number of nights vary, he wondered if we should have a certain amount per night. He moved that we ask the Pulpit Committee to look into it and report back at the next meeting. The motion was seconded and passed.

The meeting adjourned at 8:11 p.m. Bruce Gray prayed the benediction.

With no nominations from the floor, a motion was made by Donald Ribeiro and seconded by Seth Cayton that the suggested list be accepted. The vote was carried.

The pastor reported that the Layman's League was still working on the pictures for the new bulletin board and a new project of repainting lines in the parking lot is underway.

Donald Ribeiro reported that the youth of our church did great at the recent competitions held at our church on March 18. They took many prizes and the Bible Bowl won and will be going to the State competitions soon. Also they will be taking a mission trip to Mexico this summer with the following participating: Rev. & Mrs. Harold Jones; Mike Scott of Missions Board; Rev. & Mrs. Donald Ribeiro; Emily Pickett; and Rachel Langley. They are very excited about this and we will be hearing as time goes on.

Erwin Hines of the Pulpit Committee reminded everyone of the Spring Revival on April 17-20. He announced that the fall revival will be held the week following Homecoming with the Rev. Larry Letchworth from Harmony Free Will Baptist Church in Wilson. He also noted that the committee had failed to act on Bill's question of the evangelist's pay for four nights. A motion was made by Judy Williams, seconded by Pat Cayton, that we pay $50.00 per night. This passed.

Under Old Business Alton reported that the Fellowship Hall would be cleaned with the church with an additional $100 which would bring the total to $300 per month. A motion by Gladys, seconded by Wilbur Cayton, was passed. Also, he said they would like to add two handicapped spaces inthe parking lot. This was also passed.

New Business

Alton brought up the fact that there have been complaints of too much traffic in the balcony. After some discussion it was decided that the pastor would announce in church that the balcony's main function was for overflow and that children (including teenagers) may not use balcony unless they are accompanied by a parent. He also brought a recommendation from the Improvement Committee that the steeple not be cleaned at this time because of the danger of heavy equipment.

Judy Williams brought to the attention of the group that the shrubbery needs trimming. No decision was made although several opinions were voiced.

Gladys Corbett asked that the Revival be advertised in the newspaper. This was referred to the committee in charge of the revival. She also mentioned that members need to keep their addresses current for the newletter.

Clara Dell Hines brought up the Senior Sunday for Seniors graduating from High School. Clara Dell and Arlyn Branch will serve on the committee again this year.

The pastor asked the desire of the group for a special gift for the Founders Day Celebration at the Free Will Baptist Children's Home. Louise Hines made a motion, seconded by Judy Williams, that we send $100. This passed.

The pastor also noted that April was Home Missions Month. A motionby Seth Cayton, seconded by Bill Churchill, was made that we take a love

offering one Sunday in April.

Donald Ribeiro made a motion, seconded by Wayne Williams, that we sponsor the Men and Women's softball teams again this year at a cost of $700. This was passed. He also noted that the van needs a trailer hitch because the luggage carrier is damaging the top of the van. The Layman's League voluntered to pay for the hitch.

The pastor was dismissed and E. C. Hines presided while Bill Churchill brought a recommendation from the Deacons that the pastor's salary be increased by $2,000 a year starting July 1, 1995. This passed.

The meeting was adjourned with Donald praying the benediction.
